PAYABLES FOR MINOR JUVENILE OFFENSES

****

The judges of the Eighth Judicial District have adopted payable amounts for the following minor juvenile offenses for first time offenders:

No Drivers License	$100
Minor Traffic Offenses	Same as Adult Payables List
Farm Permit Violations	$100
Snowmobile Violations	$50
All-Terrain Vehicle Violations	$50
Water Safety Violations	$50
Ordinance Violations	$25
Curfew Violations	$25
Other DNR violations	Same as Adult Payables List
*Smoking Violations (1st time and subsequent)	$25*

*Upon approval of the Chief Judge, the payable amount for first time and subsequent smoking violations will be $100 and $75 will be suspended if a tobacco cessation program is available in the county and the juvenile successfully completes the program.

The juvenile may not pay the fine without a court appearance if the law enforcement officer issuing the charge checks the endangerment portion on the citation or the prosecuting attorney indicates that the juvenile must make a court appearance when a juvenile petition is filed with the court administrator.

Court administration shall notify the alleged juvenile offender of the possibility of paying the fine for the above minor offenses before the scheduled court date rather than appearing in court when sending the initial notice to appear.

The juvenile payables list will be effective for offenses occurring on or after October 1, 2000.
