Yes! There are unpaid debts I've asked several times to view all debts, asset list and recently file a motion for writ in nature of Discovery. Also there is a tax debt which might have debts run through the IRS for payment as a way to settle debt

which is legal But a mis-handling of estate not the best way to settle debt.

"I was informed on a July 23, 2021 "Zoom Court" meeting through Carver County District I that Attorney L. #1 Can provide reliable Evidence

The Artist ~~was~~ <sup>is</sup> a writer (unconfirmed death); detailed perfectionist, neat and clear on direction so he will always have Agreements written down for when he can't and can no longer make decisions. The formulas being used like IRS debt is NOT like him. He had a pattern of taking care

of his most precious life work and he wrote & protected his words! He has a valid will!

WRIT OF FACTS

EXHIBIT A

FREDRIKSON & BYRON

ESTATE OF PRINCE ROGERS NELSON

CARVER COUNTY COURT, DISTRICT 1

PROBATE/CIVIL/FAMILY

August 16, 2021

10-PR-16-46

This is the writ of facts which is presented to you by the Plaintiff, Amelia Wodehouse aka Christina Johnson.

Facts:

Prince Rogers Nelson was a detailed artist and kept records of important items, All of Prince Rogers Nelsons past, current and future work would be considered by him as important, Prince Rogers Nelson had paid legal counsel for over 20 years; business agreements and assets to protect and royalties to pay as well as legal bills, estate taxes and maintain his life's work. Prince Rogers Nelson has current, up to date " Agreements " which is not being acknowledge due to the content of whom is too be gifted because those who has "false control to date do not agree with whom he put in charge of the assets, so this is being withheld from the courts. Prince Rogers Nelson is not present to defend himself. There is a major thief draining the Estate of Prince Rogers Nelson dry and I quote what the attorney told me on June 7, 2021, at approximately 2:00 pm in Chanhassen "after the attorneys and taxes are paid there will be nothing left" and I then told the attorney "That is a lie". Lying and looting of Prince Rogers Nelson's life work is happening right now and He took the time to protect his assets and I state that there is an Liv BirtM instruction as well that is being withheld as of to date.
