FIRST JUDICIAL DISTRICT
PROBATE DIVISION
Case Type: Plaintiff Request

In the Matter of:

Court File No. 10-PR-16-46

Estate of Prince Rogers Nelson,

**MEMORANDUM OF LAW IN SUPPORT OF
MOTION TO RELEASE PHONE RECORDS
FROM VERIZON TO PLAINTIFF**

Decedent,

and

Jennifer Jeffers,

Petitioner.

Jennifer Jeffers, submits this Memorandum in Support of her Motion to Release phone records she provided through Subpoena from Verizon Wireless.

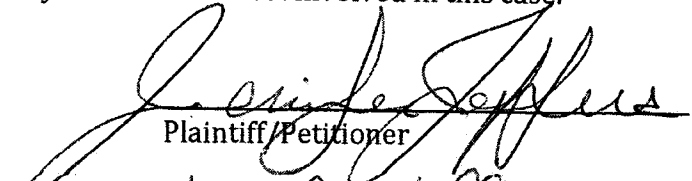

In an attempt to provided the evidence supporting a conversation the Plaintiff had with Prince Rogers Nelson on the evening of April 20, 2017, Jennifer Jeffers filed a Subpoena with Carver County Court, however Plaintiff is inexperienced and uncredentialed in legal procedures. Jennifer Jeffers was waiting for the response from Verizon and/or the Courts and requested extension from the courts and attorneys involve, unbeknownst to her that the evidence had been provided on March 16, 2017 which was prior to the deadline of March 31, 2017, and the court failed to notify her.

A pattern has become apparent that the court delays response to Plaintiff even though overnight postage, was provided. With the fast approaching deadline once again I am fighting the delays of two week response time of phone calls, three week to two month response time to Subpoena requests. These circumstances have impeded plaintiff's ability to navigate the legal system and prevented timely collection of evidence and ability to provide information that supports her claims.

Once again, Plaintiff has provided overnight mail postage to avail speedy return of information. Also, plaintiff is now fighting time constraints.

Plaintiff respectfully requests that information provided by Verizon Wireless NOT made public, since they consist of very phone digital files and information, and may invade the rights and privacy of individuals not involved in this case.
