In Re:

CARVER COUNTY COURTS

**Estate of Prince Rogers Nelson,
Deceased.**

**Order Authorizing
Genetic Testing**

With the Court's imprimatur, the Special Administrator seeks authorization to analyze the decedent's blood, a sample of which is being maintained by the Midwest Medical Examiner. Recognizing that parentage issues might arise and that timing can be of concern when conducting genetic testing, the Court hereby ORDERS:

1. Special Administrator, Bremer Trust, National Association, is authorized to take all reasonable and necessary actions to analyze the Decedent's blood sample, including but not limited to, conducting genetic testing of decedent's blood, for any purpose relevant to the administration of the Estate.
2. The Special Administrator is authorized to engage DNA Diagnostics Center to perform any analysis of the Decedent's blood.
3. Midwest Medical Examiner is authorized to release the decedent's blood to the DNA Diagnostics Center, as directed by the Special Administrator.
