FACTS

Per the court zoom hearing of August 27, 2021 at 1:30 pm with Judge Eddie and 10 other interested parties regarding (3) complaints filed by myself since Judge Eddie stated that “this court” approved all transactions that I brought up in the hearing on the date mentioned I no longer seek to find “Malfaseses” since this court takes responsibility for all actions. On the record, for the record and let the record show that I have made several claims from DNA of the deceased to replicate his being (see “affidavit on RNA & Sperm for 28 year use filed with this court on August 24, 2021). I, claimed soul administratrix of 200M “Charitable Gifting will” un-monitored by the courts. I have claimed for 5 years and 4 months to be the heir to that will as his legal wife as his care giver by word of mouth to only a few people and “legal notice” (the law is 2 years without challenge) and every person in the law office of Frederickson and Byron P. A. of Minneapolis, Minnesota office as well as this court. For the “Symbol-unpronounced”; the “Artist”; Prince Rogers Nelson as well as other names known as. I would like to be by the side of the deceased and see what remains of him in person. I want to be a part of business transitions with the family of the deceased that has a board membership agreement and I would like to have a relationship with the children if any

Case 10-PR-16-46

Thus far. (See my affidavit on using his sperm for use of reproduction dated August 24, 2021 submitted to this court). Judge Eddie stated that the cut off for the zoom hearing was August 17, 2021 but I filed a lot of motions regarding evidence in this case so I respect the court's responsibility and let the record show I filed and it is for review for any interested party, I stopped filing new information on this case on August 26, 2021 for court hearing of August 27, 2021 as a Plaintiff and as of to date thus far as an Amicus Amiea, wife and Trust Adminstrix un-monitored by the courts.
