Facts

Per the zoom hearing of August 27, 2021 at 11:30 am with Judge K. Eddie regarding complaints filed. Since the court approved all transactions I no longer seek to find "mal-fases". Since the cut of time from the court of August 17, 2021 I have not receive a "motion to compel" "evidence" on the "Charitie gifting will" of 200 million dollars" which I am the unmonitored TRUST Administrator and heir is current, Active wife of The Artist, The Symbol, Prince Rogers Nelson tenans. In 5 years and 3 months I, as his wife have not been presented with any orders of compation! so I claim the above is true and correct. (comp to provide Evidence Motion)
