ORDER ESTABLISHING ITV TASK FORCE

In October 1999, the Court implemented a statewide pilot project for the limited statewide use of interactive television (ITV) in certain criminal matters. In April 2007, the Supreme Court gave permanent statewide authorization for use of ITV in criminal cases by promulgating Rule 1.05 of the Rules of Criminal Procedure as well as conforming amendments to Rules 14.02, subd. 2, and 26.03, subd. 1(3)4. In 2008, the Chief Justice convened the Criminal Justice Forum as a collaborative effort of criminal justice partners to consider new ways to make the criminal justice system work better, by working together. The Criminal Justice Forum requested that the Court establish an ITV Task Force to consider expanding the use of ITV in criminal cases.

IT IS HEREBY ORDERED:
