

## **Criminal Rules Revision: Side-by-side Comparison**

The following is a document detailing the revisions to the Rules of Criminal Procedure. The left column contains the original text of the Rules, and the amendments are indicated in track-changes format (an overstrike indicates deleted text; underlining indicates new or relocated text). The right column contains the text of the Rules as promulgated by the Supreme Court.

This side-by-side comparison is provided for convenience only. The Order promulgating these amendments contains the official version of the revised rules. If there are any discrepancies between the text contained in the Order and the text contained in this document, the Order controls.
