RE: In re Eighth District Vacancy  
C9-85-1506

On December 10, 1990, the attorneys of the 12th and 16th District Bar Associations petitioned the Supreme Court for rehearing in the above entitled matter.

On January 1, 1991, I read in the Minneapolis Tribune that the petition for rehearing was denied on December 20, 1990. This information was released by the State Court Administrator and not by the Supreme Court Information Officer. To date, neither bar association has received notice as to the status of the petition.

As no signer of the petition has received official notice of the Court's purported decision on the petition, the 16th and 12th District Bar Associations will assume the decision on the petition is still pending until such time as official notice is received from the Court.

Sincerely,

  
Timothy E.J. Fox  
President
