STATE OF MINNESOTA
IN SUPREME COURT

WHEREAS the State Board of Professional Responsibility has recommended to the Court the following amendment to Rule 9 of the Rules on Professional Responsibility,

NOW, THEREFORE, Rule 9 of the Rules on Professional Responsibility is hereby amended so as to read as follows:

"(a) This court, upon the basis of the record made, and upon being satisfied that appropriate disciplinary action should be taken may (1) disbar the attorney; (2) suspend him indefinitely or for a stated period of time; (3) place the attorney on a probationary status for a stated period, or until further order of the court, with such conditions as the court may specify and to be supervised by the Administrative Director; (4) issue a public reprimand; or (5) dismiss the complaint.

"(b) At any time after the institution of a disciplinary proceeding under Rule 6, where it appears that a continuation of the practice of law by the attorney during the pendency of the disciplinary proceedings may result in substantial risk of serious injury to the public, the Administrative Director, on direction of a Panel of the Board, at least five (5) members of such Panel voting in the affirmative, shall present to this Court a verified petition for an order suspending the respondent attorney during the pendency of the disciplinary proceedings, and shall request an order of the Court directing the attorney to answer the petition. The petition for temporary suspension shall set forth the acts or omissions of the respondent attorney contained in the pending petition for disciplinary action together with such other facts as may constitute grounds for suspension pending disciplinary proceedings. The petition for temporary suspension may be supported by a transcript of any evidence taken by the Panel and by documents or affidavits.

"(c) If the order is issued, the Administrative Director shall cause the petition for temporary suspension, together with this Court's order directing the respondent to answer the same, to be served upon respondent in the same manner as provided in Rule 6 for the service of a petition for disciplinary action. Respondent shall, after service upon him, have twenty (20) days, exclusive of the day of service, in which to answer the petition. If respondent fails to file such answer within the time herein provided or such extension of time as may be granted by this Court, he shall be held to be in default and an order suspending him pending the final determination of the

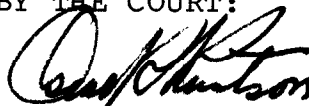

disciplinary proceedings entered. The last paragraph of Rule 6 is made a part hereof by reference.

"(d) Answer to Petition. The answer may contain additional facts relating only to the issue of substantial risk of serious injury to the public, shall be verified, and may be supported by documents or affidavits. The answer shall be filed in duplicate in this court.

"(e) After the filing of an answer, if the Court, after an en banc hearing, finds a continuation of practice by the attorney may result in substantial risk of serious injury to the public, it may enter an order suspending such attorney from the practice of law pending final determination of the disciplinary proceedings."
