COMPLAINT: Rx EXPRESS Usage: to influence Voters.

There is a pattern of abuse of power Mark Dayton uses in this U.S. Senate 2000 election. These public illeal contributions are actually an attempt to influence voters with private money in order to obtain public sympathy as well as free publicity from the news media coverage for Daytons candidacy.

I am requesting that he be disqualified as Minnesota Statute 211B states.

As a millionaire he uses his private money in order to obtain an unfair advantage over other candidates.

Public sympathy as well as free publicity from the news media coverage for Dayton's candidacy is like money in the bank.

Rx EXPRESS Usage: to influence Voters and offers of monetary value and promises to induce voters in a particular manner to vote for Mark Dayton in the up coming U.S. Senate 2000 elections in Minnesota. 211B.13 Bribery, Treating, and Solicitation. Violation of the Minnesota State Fair Campaign practice Laws. Violation 211B.07 Influence on voters PROHIBITED. 211A.10 Disqualified Individuals Not To Hold Various Positions.

Mark Dayton has clearly violated those Minnesota statute laws. His drug policy played on the fears of the elderly.

Buying votes in an illegal criminal act also immoral.

He should be disqualified A.S.A.P. 211A.10 MN. Statute. Dayton is not at all in touch with the average man or women in Minnesota. He thinks he can buy this election and unfortunatly he comes across as untrustworthy and elitist, trying to make the public think he's a nice guy when truthfully he is just using his millions like he unsuccessfully failed to do before.

He has even stolen other candidate speeches and televised them as his own in hopes of influencing voters at the other candidates expense politically.

He gives out his home phone number to people on the street that want financial help to impress the news media of his generosity to the poor and a good reason to become a U.S. Senator.

He is trying to buy this election at any cost.

His honor system needs to be self examined.

Mark Dayton claims he would accept \$1.00 a year salary was to gain favor with voters in an unfair manner towards the other candidates a few days before the election.

In reference also to the Minnesota Fair Campaign Laws that were violated, Constitutional Laws and Civil Rights Laws occurred preceeding the election. Mark Dayton used censorship and exclusion from debates, collusion with three other candidates to deny me my rights as a legal U.S. Senate candidate.

" IN GOOD FAITH "

As a voter and resident of Minnesota and

As a candidate for U.S. Senate Minnesota 2000

D.F.L. also I am requesting your intervention into this case of election fraud of intentionally trying to buy election votes by Mark Dayton, or any other infraction in the Fair CAMPAIGN Laws he violated with his activities during this election year U.S. Senate Minnesota 2000.
