

SCOTT AND CARVER COUNTY
EARLY NEUTRAL EVALUTION PROGRAM

FEE STRUCTURE

The Scott-Carver program will use evaluators selected from a panel of professionals experienced in working with families in financial and parenting matters in family court proceedings. These professionals are all qualified to evaluate financial and/or social issues. The SENE will be conducted by a gender-balanced team of two persons. The FENE will be conducted by a single person.

For SENE, represented parties will pay a rate of \$175 per party per hour. The Court may apportion the cost between the parties based on their individual incomes.

For FENE, represented parties will pay a rate of \$100 per party per hour. The Court may apportion the cost between the parties based on their individual incomes.

Unrepresented parties shall be subject to the sliding scale below. Note that the hourly rates are **per party**. The Court may apportion the cost between the parties based on their individual incomes.
