In the Matter of the Contest of  
General Election held on November 4, 2008,  
for the purpose of electing a United States  
Senator from the State of Minnesota,

No. 62-CV-09-56

Cullen Sheehan and Norm Coleman,

Contestants,

v.

Al Franken,

Contestee.

**CONTESTEE'S ANSWER  
AND COUNTERCLAIMS**

**INTRODUCTION**

Contestee, Al Franken ("Franken"), certified as having been chosen as United States Senator by the people of Minnesota in the November 4, 2008, election ("Election"), files this Answer to the Notice of Contest ("Notice") filed by Contestees Norm Coleman and Cullen Sheehan (collectively, "Coleman").

The Court lacks jurisdiction to consider the Notice, but even if it had jurisdiction it is only for the limited purpose of either conducting a re-count of the universe of ballots accepted by the State Canvassing Board or acting as an unappointed agent of the United States Senate to take and preserve evidence of irregularities affecting that universe of ballots. Coleman does not properly invoke either possibly constitutional role for the Court. He does not specifically allege a single error of determining voter intent or of counting that could be addressed in a re-count, much less sufficient errors to put Franken's margin of victory in question. As to the numerous

irregularities Coleman alleges, he does not invoke the only possibly available remedy in this Court, taking and preserving of evidence for an election contest in the United States Senate that he still has not filed there.

Instead, in his Notice, Coleman mixes specific and general allegations of irregularities with his request for a re-count, thereby seeking improperly to blur the distinction between that which Minnesota law commits to this Court and that which it reserves for exclusive determination by the United States Senate. The systematic deficiencies in the Notice—including Coleman’s requests for this Court to exceed its power under Minn. Stat. § 209.12—are further addressed in Franken’s separate Motion to Dismiss and memorandum in support thereof, which address the issues of subject matter jurisdiction and failure to state a claim. The Motion to Dismiss and supporting memorandum are incorporated herein to the extent necessary to avoid any issue of waiver.

Moreover, Coleman advances previously rejected and still-unsupported arguments, seeks to disenfranchise numerous Minnesotans who cast lawful ballots, and asks the Court to count hundreds of invalidly cast ballots. As every administrative and judicial body that has examined these contentions has determined, Coleman’s allegations are baseless. To try to supplement his oft-rejected arguments, he offers a new litany of vague, conclusory, and often incomprehensible complaints about every facet of the Election, canvassing, and recount. By casting unspecified and unjustified aspersions on Minnesota’s election system in the hope that this process will uncover some previously unknown irregularity, Coleman impugns the integrity and competence of election officials who have spent thousands of hours ensuring that every lawfully cast vote was counted.

Franken affirmatively states that—as unanimously and accurately determined by the State Canvassing Board in the Certificate incorporated into Coleman's Notice as Exhibit A—Franken, and not Coleman, was chosen by the plurality of votes lawfully cast in the General Election. In this Answer, Franken responds to the allegations in Coleman's Notice to the degree possible, a task made arduous or impossible by Coleman's refusal or inability to identify in the Notice and within the seven day period what, precisely, it is that he thinks will overturn the judgment of the State Canvassing Board or where there were mistakes in counting the votes. To the extent that any allegation in the Notice is not expressly admitted, it is denied.

Franken also affirmatively states that certain ballots lawfully cast for him have not yet been counted due to irregularities. Other ballots were improperly included in the Board's final certification of the number of ballots cast for Coleman. In each instance, with respect to issues raised by Franken, the State Canvassing Board or local election officials were determined to lack the authority to address the irregularities and adjust the ballot count. The same limited authority applies to adjusting the universe of ballots in any court-operated recount.

Accordingly, Franken asks the Court under Minn. Stat. § 209.12 to take and preserve evidence on the counterclaims he has set forth below. Should the United States Senate chose to do so, it then could adjudicate Franken's counterclaims and increase his margin of victory accordingly. Franken further makes a conditional request that this Court resolve the irregularity-related issues raised in his counterclaims. This request should be granted, Franken respectfully submits, only if the Court concludes it that it has jurisdiction to resolve irregularity-related claims raised by Coleman.

**ANSWER**

1. As to Paragraph 1 of the Notice, Franken is without information as to whether contestant Cullen Sheehan ("Sheehan"), Coleman's campaign manager who came from Iowa for that purpose, is a Minnesota resident qualified as an eligible voter under Minnesota election law or as to whether he cast an absentee ballot in the Election. Franken denies Sheehan's allegations that the State Canvassing Board erroneously declared that Franken received the plurality of votes lawfully cast in the Election.

2. As to Paragraph 2 of the Notice, Franken admits that Coleman is a Minnesota resident, eligible to vote under Minnesota election law, who was a United States Senator from the State of Minnesota until his term expired on Saturday, January 3, 2009. Franken admits that Coleman voted in the General Election. Franken denies Coleman's allegations that the State Canvassing Board erroneously declared that Franken received the plurality of votes lawfully cast in the Election. Franken admits that Coleman's name appeared on the official ballot as a candidate for the office of United States Senator in all counties within the State of Minnesota.

3. As to Paragraph 3 of the Notice, Franken admits that his name appeared on the official ballot as a candidate for the office of United States Senator in all counties within the State of Minnesota.

4. As to Paragraph 4 of the Notice, Franken admits the allegations.

5. As to Paragraph 5 of the Notice, Franken objects to Coleman's effort to define "ballot," which is defined by provisions of Minnesota and federal election law. To the extent Coleman's definition attempts to disenfranchise Minnesotans by excluding ballots lawfully cast, but which could not be run through voting machines on Election Day, Franken objects.

6. As to Paragraph 6 of the Notice, Franken admits that Coleman apparently uses the term "Election Materials" within his Notice to refer to the materials described in this paragraph of his Notice.

7. As to Paragraph 7 of the Notice, Franken admits the allegations.

8. As to Paragraph 8 of the Notice, Franken admits that the State Canvassing Board determined that he received 1,212,431 votes in contrast to Coleman's 1,212,206 votes and signed a Certificate attesting to these results. Franken further admits that, consistent with the transparency with which the Secretary of State and State Canvassing Board have carried out their duties, the vote totals and certificate were quickly posted to the Secretary of State's website. Franken denies that the Board erroneously concluded that he received the plurality of votes lawfully cast in the election.

9. As to Paragraph 9 of the Notice, Franken denies the allegations. Specifically, Franken denies that any unidentified "errors, mistakes and other irregularities," including "matters and things," took place or affected the outcome of the Election. Coleman's Notice provides absolutely no basis for Franken to identify or respond to the unspecified issues asserted in Paragraph 9 and fails to identify any particular ballots (among the 2.9 million cast), precincts, or even counties at issue. Minn. Stat. § 209.12 precludes the Court from making any findings or conclusions with respect to allegations of "errors, mistakes and other irregularities" (or similar "matters and things") and thus precludes addressing those in the re-counting sought by Coleman. Moreover, as further set forward in Franken's Affirmative Defenses, every material rule and recount procedure adopted by the State Canvassing Board or promulgated by the Secretary of State was formulated with Coleman's input and consent, and often at Coleman's

request or demand, and Coleman demanded that many of these rules and procedures be followed during the recount until it became expedient for him to repudiate his prior agreements.

10. As to Paragraph 10 of the Notice, Franken objects to Coleman's use of the phrase "By way of example only" as an illegitimate attempt to hide until later allegations of improperly rejected absentee ballot envelopes and to do so in violation of the seven-day limit and specificity requirements of Minn. Stat. § 209.021 and 209.12. Trial must commence no more than 20 days after the Notice was filed. The ballot envelopes in question were received by county election officials over two months ago. A complete list of rejected absentee ballot envelopes has been available for nearly as long. Minn. Stat. § 209.12 precludes the Court from making any findings or conclusions with respect to allegations of wrongfully and erroneously excluded ballots and thus precludes addressing such allegations in the re-counting sought by Coleman. In contrast to the current allegations in Paragraph 10, Coleman was careful, in his briefing to the Minnesota Supreme Court on this issue, to note that he *did not know* if these ballots were improperly rejected. *See e.g.*, Exhibit A (Dec. 31, 2008, Motion for Emergency Order), at 3 ("the Coleman campaign was able to identify approximately 650 such ballots *that appear on their face to raise a question as to whether the ballots were properly rejected*") (emphasis added). Pursuant to a December 18, 2008, order of the Minnesota Supreme Court and a Protocol jointly created by Coleman, Franken, the Secretary of State, and local election officials, local election officials identified 1,346 ballots that were wrongfully rejected on Election Day for a reason other than the four exclusive statutory reasons set forth in Minn. Stat. § 203B.12. In the course of their re-review of rejected absentee ballots, each of the 654 ballots was again rejected as invalidly cast. Coleman submitted this list of ballots after the Protocol's deadline for doing so had passed. Franken admits that his campaign objected to the untimely submittal of these ballots, as often did

the involved local election officials, and that he refused to agree to the untimely submittal of ballots identified by Coleman in the absence of any evidence that they were legally cast. Franken therefore admits that these ballots were not opened and counted by the Secretary of State on January 3, 2009. The only common thread among these 654 ballots was that they were cast in areas which favored Coleman. For example, 94 are from Dakota County, which Coleman won by 8%, and 64 are from the City of Plymouth, which Coleman won by 12%. Outer jurisdictions where Coleman won by more than 20% are heavily represented: 32 from Scott County; 31 from Carver County; 23 from Sherburne County; and 15 from Wright County. Finally, Franken admits that the Minnesota Supreme Court rejected Coleman's complaint that the Protocol, which required the agreement of all parties before a ballot was counted, did not result in all ballots being counted (or left uncounted) precisely how he wished.

11. As to Paragraph 11 of the Notice, Franken objects to Coleman's allegations that "[o]n information and belief" unspecified absentee ballots were irregularly rejected by local election officials as an illegitimate attempt to reserve the right to raise further allegations of irregularly rejected absentee ballot envelopes without setting forth the specific grounds of this contest within seven days as required by Minn. Stat. § 209.021 and 209.12. Minn. Stat. § 209.12 precludes the Court from making any findings or conclusions with respect to allegations of irregularities with respect to excluded ballots and thus precludes addressing those in the recounting sought by Coleman. Franken denies that the envelopes identified by Coleman in Exhibit B-1 were erroneously rejected by local election officials. Franken further denies that certain envelopes identified by Coleman in Exhibit B-1 were excluded from the vote totals certified by the Board. The absentee ballot envelope of Trina Funches, included in Group A of Exhibit B-1, was included on the list of 1,346 wrongfully rejected ballots identified by local

election officials. Neither Coleman nor Franken objected to its inclusion in the recount, and so this ballot has already been counted.

12. As to Paragraph 12 of the Notice, Franken objects to Coleman’s use of the phrase “By way of example only” for the reasons identified in Franken’s answer to paragraphs 10. Minn. Stat. § 209.12 precludes the Court from making any findings or conclusions with respect to allegations of irregularities in Paragraph 12 and thus precludes addressing those in the re-counting sought by Coleman. Franken denies the allegations of this paragraph, and specifically objects and states as follows:

(a) Franken denies that Minn. Stat. § 206.86 has any bearing on a manual recount conducted pursuant to Minn. Stat. 204C.35 and Minn. R. 8235 et seq. or an election contest under Minn. Stat. § 209.12, and he further denies that any irregular double-counting occurred in the precincts identified in Exhibit C. The very essence of a recount—the determination of the voter’s intent and the existence of disqualifying distinguishing marks—could not be fulfilled by examining a duplicate ballot that was filled out by an election judge interpreting a voter’s intent. Franken admits that Coleman’s petition to the Minnesota Supreme Court regarding duplicate ballots was unanimously rejected, in part because of his inability to present a single instance of double-counting. Franken objects to Coleman’s effort to reserve the right to raise further allegations of irregularly-handled duplicate ballots in further unspecified counties. Finally, and for the reasons stated in Franken’s affirmative defenses below, Coleman is estopped from challenging the inclusion of unmatched original ballots in the recount because he himself proposed that such ballots should be counted, the Secretary of State and Franken agreed that this approach was consistent with Minnesota law, and the entire recount was carried out utilizing the procedure to which all parties agreed.

(b) Franken denies the allegations of Paragraph 12(b) of the Notice. Franken objects to Coleman's effort to reserve the right to raise additional irregularities with respect to unspecified ballots in unspecified precincts. Franken denies that unspecified "chain of custody" irregularities mandate the disenfranchisement of voters in Maplewood Precinct 6 and Saint Paul Ward 3, Precinct 9. Franken further states the following:

- In Maplewood Precinct 6, 171 ballots were lawfully cast, but never counted, on Election Day. Franken denies any allegation that these ballots were counted in error. On Election Day, a broken ballot counter was swapped for one in working order. By then, 171 people had voted and their ballots had been placed into the ballot box. Because election officials failed to promptly re-feed the 171 ballots through the new ballot counter, the votes were not counted on the tape. Instead, the ballots remained in the ballot box, and then in secured transfer cases, until they were discovered by recount officials at the Ramsey County recount site. Local election officials have uniformly stated that all the ballots were properly cast and securely protected until their discovery during the recount. In the same precinct, the recount initially found a discrepancy between the numbers of votes cast (1,564) and the number of voters as identified by election judges on Election Day (1,533). A subsequent investigation determined that election judges had failed to record, on the voting rolls, the names of 31 absentee voters who had properly sent in their registration cards. Franken denies any allegation of irregularity as to these ballots.
- In Saint Paul Ward 3, Precinct 9, late on Election Day, election judges experienced problems where absentee ballots were getting jammed in the ballot counter before they could be counted. The judges dropped the ballots in question into the ballot

box. Local election officials have uniformly stated that these technical difficulties resulted in the summary statement tape omitting lawfully cast ballots from the Election Day totals. Franken denies any allegation of irregularity as to these ballots.

(c) Franken denies the allegations of paragraph 12(c). In Minneapolis Ward 3 Precinct 1, 2,028 ballots were cast on Election Day, but only 1,896 ballots initially were found during the recount. Election officials found five ballot envelopes. One was a different color and contained write-ins. The other four were labeled “2 of 5,” “3 of 5,” “4 of 5” and “5 of 5.” There was no envelope labeled “1 of 5.” After an extensive investigation, Minneapolis Director of Elections Cindy Reichert testified to the Board that there was simply no doubt that the ballots had been cast, counted, and then lost. Minnesota law is equally clear that where missing ballots cannot be found, election officials must turn to the next best evidence: here, the vote totals provided by election officials on Election Day. Franken denies that Coleman’s relentless effort to disenfranchise the voters who cast these ballots has any factual or legal validity.

(d) Franken denies the allegations of Paragraph 12(d) of the Notice except as stated and objects that these and other allegations are barred by laches and estoppel for the reasons set forth in Franken’s Affirmative Defenses. Franken admits that the counties of Hennepin and Ramsey determined that five persons whose ballots had initially been identified as wrongfully rejected had voted in person on Election Day and that these voters’ absentee ballots were duly removed from the list.

(e) Franken cannot meaningfully and intelligently respond to the allegations of Paragraph 12(e) of the Notice because Coleman has identified no absentee ballot envelopes that were irregularly accepted by election officials on Election Day, and therefore denies the same.<sup>1</sup>

---

<sup>1</sup> Coleman’s allegation that envelopes were accepted that did not comply with the requirements of Minn. Stat. § 203B.13 presumably sought to reference Minn. Stat. § 203B.12. Minn. Stat. §203B.13 governs the establishment,

Coleman has had two months to identify absentee ballot envelopes that were accepted in error, and his conclusory and bare speculation that some absentee ballot envelopes were accepted in error fails to provide the specificity within seven days required by Minn. Stat. § 209.021 and 209.12.

(f) Franken cannot meaningfully and intelligently respond to the allegations of Paragraph 12(f) of the Notice because Coleman fails to identify a single ballot that he believes was irregularly rejected, and therefore denies the same. Franken denies the allegations of paragraph 12(f), and further notes that Minnesota law provides one of the clearest and most comprehensive voter intent statutes in the country. *See* Minn. Stat. § 204C.22. During the course of its resolution of campaign challenges to ballots, the State Canvassing Board—made up of the Chief Justice and an Associate Justice of the Minnesota Supreme Court, the Chief and Assistant Chief Judge of the Second Judicial District, and the Secretary of State—thoughtfully and consistently applied Minn. Stat. § 204C.22 to each challenged ballot. Coleman cannot seriously maintain that the Board somehow “inconsistently” but systematically rejected Coleman challenges to ballots cast for Franken.

(g) Franken objects to Coleman’s bare and conclusory allegations regarding unspecified successful Franken ballot challenges that were irregularly accepted by the Board and denies the allegations of Paragraph 12(g) of the Notice for the reasons stated in his answer to the allegations contained in Paragraph 12(f).

13. As to Paragraph 13 of the Notice, Franken cannot meaningfully and intelligently respond to the allegations because Coleman fails to identify any ballots that were mutilated, defaced, or obliterated such that the voter’s intent could not be determined. Franken denies the

---

duties, and compensation of absentee ballot boards and does not set forward requirements governing the acceptance of absentee ballots.

allegations for the reasons stated in his answer to the allegations contained in Paragraph 12(f). To the extent that Paragraph 13 encompasses ballots that Coleman did not challenge during the recount, and as set forth in Franken's Affirmative Defenses, laches bars him from challenging such ballots. To the extent it encompasses ballots he did challenge, he has not identified any irregularity in the resolution of such challenges. Minn. Stat. § 209.12 precludes the Court from making any findings or conclusions with respect to allegations of irregularities with respect to counting ballots in poor condition and thus precludes addressing those in the re-counting sought by Coleman.

14. As to Paragraph 14 of the Notice, Franken cannot adequately and intelligently respond to the allegations and therefore denies the same. Coleman does not identify a single voter who he claims did not comply with the requirements of the "Minnesota Election Law" and nonetheless had his or her vote counted. Coleman does not even identify which provision of the "Minnesota Election Law" is at issue. Coleman does not allege or even hint why these unspecified irregularities by unspecified voters require the disenfranchisement of such voters. To the extent that Coleman alleges that the unspecified voters at issue engaged in unspecified fraud or other irregularities, the Court lacks jurisdiction under Minn. Stat. § 209.12 to make any findings or conclusions with respect to such allegations or to take those into account in the re-counting sought by Coleman.

15. As to Paragraph 15 of the Notice, Franken cannot adequately and intelligently respond to the allegations and therefore denies the same. Coleman does not identify a single "unqualified and ineligible" voter who he claims cast a vote that was counted for Franken. Coleman does not identify the provision of the "Minnesota Election Law" which rendered these voters "unqualified and ineligible." To the extent that Coleman alleges that the unspecified

voters at issue engaged in unspecified fraud or other irregularities, the Court lacks jurisdiction under Minn. Stat. § 209.12 to make any findings or conclusions with respect to such allegations or to take those into account in the re-counting sought by Coleman.

16. As to Paragraph 16 of the Notice, Franken cannot adequately and intelligently respond to the allegations and therefore denies the same. Coleman does not identify a single voter who voted more than once. Coleman does not identify a precinct or even county where any voter cast more than one ballot, election officials counted both ballots, and the Board certified the result. To the extent that Coleman alleges that the unspecified voters at issue engaged in election fraud or other irregularity, the Court lacks jurisdiction under Minn. Stat. § 209.12 to make any findings or conclusions with respect to such allegations or to take those into account in the re-counting sought by Coleman.

17. As to Paragraph 17 of the Notice, Franken denies the allegations for the reasons stated in his answer to Paragraph 12(f). Franken further denies that certain unspecified ballots challenged by Coleman were irregularly rejected by the Board on the grounds that they contained distinguishing marks or unclear expressions of voter intent. Minn. Stat. § 209.12 precludes the Court from making any findings or conclusions with respect to allegations of irregularities with respect to rejecting ballots and thus precludes addressing those in the re-counting sought by Coleman.

18. As to Paragraph 18 of the Notice, Franken denies that Coleman's troubling insinuations have any bearing on the outcome of the Election whatsoever. Coleman's suggestion that a voter should be disenfranchised because an election judge committed the minor irregularity of failing to initial the backs of the ballot is cavalierly dismissive of the fundamental right to vote and profoundly at odds with Minnesota law, which is properly clear that innocent

voters should not be disenfranchised because of irregularities, ignorance, inadvertence, or mistake on the part of election officials. Minn. Stat. § 209.12 precludes the Court from making any findings or conclusions with respect to allegations of irregularities such as initialing and thus precludes addressing those in the re-counting sought by Coleman.

19. As to Paragraph 19 of the Notice, to the extent that it alleges that the Board failed to detect and correct obvious errors that are not identified in his Notice, Franken objects to Coleman's failure to adequately set forward the grounds on which his contest will be made so that Franken can meaningfully respond. With respect to Coleman's claim that the Board failed to correct the "obvious errors" described within ¶ 11, Franken notes that the Minnesota Supreme Court held on December 18, 2008, that "improper rejection of an absentee ballot envelopes is not within the scope of errors subject to correction . . . and therefore county canvassing boards lack statutory authority to count such ballots and submitted amended reports on that basis." Exhibit B (Dec. 18, 2008, Order), at 2. Even if an error had occurred in the manner suggested in this paragraph, it would be an irregularity that cannot be determined by the Court or considered in the re-counting. Franken denies the other allegations of Paragraph 19 for the reasons set forth in his answer to the allegations of paragraphs 12-17. Again, even if an error had occurred in the manner suggested in this paragraph, Minn. Stat. § 209.12 precludes the Court from making any findings or conclusions with respect to allegations of irregularities in the Board's process and decisions and thus precludes addressing those in the re-counting sought by Coleman.

20. As to Paragraph 20 of the Notice, Franken objects to the allegations insofar as Coleman fails to identify even what manner of "obvious errors" were allegedly undetected and uncorrected by local canvassing boards during the initial canvass, let alone any *specific* errors which were made. Even if an error had occurred in the manner suggested in this paragraph,

Minn. Stat. § 209.12 precludes the Court from making any findings or conclusions with respect to allegations of irregularities with respect to the process or decisions of local canvassing boards and thus precludes addressing those in the re-counting sought by Coleman.

21. As to Paragraph 21 of the Notice, it contains legal conclusions and requires no response. Errors, violations of law, and other irregularities during the Election and recount did not result in Franken's receiving more votes than Coleman. Franken won because more voters cast lawful ballots for him.

22. Franken denies that Coleman has any need to inspect ballots to prepare his case for trial. The Coleman campaign has viewed each of the 2.9 million ballots cast in this election during the course of the recount and has no conceivable need to reinspect ballots. Franken denies that Coleman has any need to inspect election materials for the reasons stated in his answer to paragraph 23.

23. Franken objects to Coleman's request to inspect ballots as premature. Until the court rules on Franken's motion to dismiss Coleman's allegations, Coleman's need to inspect election materials from particular precincts, or to take discovery, cannot be determined. This Court should limit inspections to only those election materials that may be relevant to this election contest, and should do so after making its ruling as to the sufficiency of Coleman's claims.

24. Franken denies that yet another recount is required. The State of Minnesota has already recounted 2.9 million ballots cast in the General Election. This process cost the State of Minnesota at least \$200,000 and lasted well over a month. Ballots contested by either campaign were examined and resolved by the State Canvassing Board. At this point, all ballots in the State of Minnesota have been counted at least twice. Those challenged before the State Canvassing

Board have been counted at least three times. Franken also objects to Coleman's request for the court to order a recount in only certain precincts. This request invites the court to authorize manifest constitutional error by authorizing a recanvass of some—but not all—precincts and applying new rules to only those recanvassed ballots.

## **AFFIRMATIVE DEFENSES**

### **Subject Matter Jurisdiction**

1. The court lacks subject matter jurisdiction.

### **Constitutionality of the Procedures and Relief Sought**

2. The procedures and relief sought by Coleman violate Article 1, Sections 5, of the United States Constitution.

3. Coleman's request to re-count only precincts that he selects violates equal protection under the Minnesota and United States Constitutions.

### **Estoppel, Laches, and Unclean Hands—Procedures Governing Recount of Original/Duplicate Ballots**

4. The fundamental and sole objective of a recount is to ascertain the number of “votes validly cast” for each candidate. Minn. Stat. § 204C.35, subd. 3. A ballot is valid if the voter's intent is determinable. Minn. Stat. § 204C.22, subd. 1. Where a duplicate of a ballot was created under Minn. Stat. § 206.86, the fundamental necessity of determining voter intent from the original ballots was recognized by all parties at the commencement of the recount process. During a telephone conference convened by the Secretary of State's office with both campaigns to establish rules for the recount, Coleman proposed that original ballots be counted. Franken agreed.

5. In reliance on the parties' agreement, on November 17, 2008, the Secretary of State's Office issued revised proposed rules for the recount. The rules were adopted by the State

Canvassing Board on Tuesday, November 18, 2008, and, because the Board adopted Coleman's position, there was no objection from Coleman. Rule 9 provides as follows:

As the Table Official sorts the ballots, he or she shall remove all ballots that are marked as duplicate ballots and place those duplicate ballots in a fourth pile. At the conclusion of the sorting process, the Table Official shall open the envelope of original ballots for which duplicates were made for that precinct and sort the original ballots in the same manner as they sorted all other ballots. The Table Official shall disregard this step if there is not an envelope of original ballots, in which case the duplicate ballots will be sorted.

Later, the Secretary of State made it even more clear to county election officials that they were to tabulate original ballots rather than duplicates during the recount whenever possible. This directive stated as follows:

- \* If no ballots marked as duplicates, no reason to go to Original Envelope, there is no way to pull out duplicates to replace with originals.
- \* If ballots are marked as duplicated, pull out duplicates, not matched to originals, just sort and count the originals.
- \* If obvious difference between number of duplicates & originals, discuss with candidate representatives, noting decision if counted duplicates or originals on the incident log.

Before sending this directive, Deputy Secretary of State Jim Gelbmann distributed it to both campaigns, explaining, "This will go to all election officials later today. Call or e-mail if you have concerns." In addition, Deputy Secretary Gelbmann explained:

It is the opinion of our Office that Rule 9 is clear about the process to be used when duplicate ballots are found during the sorting process. Those ballots are to be removed from the sorting process and placed in a separate (sic) pile. If there is an envelope of original ballots, the original ballots should then be sorted. If there are no duplicate ballots found during the sorting process, the canvass board has not authorized the envelope of original ballots to be opened and the original ballots envelope should remain sealed. If no envelope of original ballots exist, the duplicate ballots should then be sorted. While there is no requirement to compare the number of duplicate ballots to the number of original ballots, if there is an apparent significant discrepancy in the numbers, the candidates' representatives should attempt to agree on whether to sort the original or duplicate ballots. The Deputy recount official shall note on the incident log if the duplicates rather than

original ballots were counted. If the two candidate representatives can not agree, the Deputy Recount Official shall sort and count the original (sic) ballots.

Coleman did not object. Indeed, instead of objecting, Coleman's authorized representative responded that this "was perfectly clear."

6. The Coleman campaign was vigilant during the recount about enforcing the parties' agreement as embodied in Rule 9 and as explained by Deputy Secretary Gelbmann. Thus, on November 20, early in the recount, Coleman's authorized representative sent an email to Deputy Secretary Gelbmann and the Secretary of State's head of elections, Gary Poser, in which he complained that Anoka County officials had rejected "clear Coleman originals" because of the "lack of a corresponding duplicate." Mr. Gelbmann checked and determined that the allegation was false: The original ballots were, in fact, being counted even when a duplicate could not be found. After being apprised of these facts, Coleman's representative sent an email thanking Deputy Secretary Gelbmann, and stating: "I clarified this yesterday afternoon with Gary Poser and our Anoka County Lead Representative. We understand that Anoka County officials had a telephone conference with Gary Poser on this matter and all proceeded according to the Secretary of State's original directions."

7. It is not only Franken who relied in good faith on the agreement that Coleman had entered into with him and the Secretary of State. County and municipal election officials in 87 counties similarly relied on the Secretary of State's approved guidance in performing their duties. Coleman representatives insisted on the counting of original rather than duplicate ballots when there were more original than duplicate ballots found.

8. On December 19, at the very conclusion of the State Canvassing Board's consideration of ballot challenges, Coleman raised, and the Board considered, his newfound

claim that where the number of original ballots for which duplicates were created exceeded the number of duplicates found, use of the originals might result in double-counting votes.

9. Where, as here, all relevant parties agreed, consistent with Minnesota law, that the original ballots would be counted during the recount whenever possible, Coleman is estopped from challenging the very process to which he agreed. As a result of the parties' agreement, the Secretary of State's Office directed county election officials to tabulate original ballots rather than duplicates. Franken and the entire recount and canvass by both the county canvassing boards and the State Canvassing Board relied on Coleman's action in entering the tripartite agreement, which Coleman insisted should be subject to strict compliance until it no longer served his purposes and he renounced the agreement. Because of Coleman's gross delay, estoppel, laches, and unclean hands bar his stale (and baseless) allegations of double-counting as a ground for challenging the election results.

#### **Estoppel, Laches, and Unclean Hands—Unchallenged Ballots**

10. In the course of the recount process, it became apparent that a large number of lawfully cast absentee ballots were erroneously set aside on Election Day and never counted. On December 18, in granting Coleman relief in the lawsuit he had pursued, the Minnesota Supreme Court ordered the parties to establish a process by which, upon the agreement of the local election officials and the candidates that an absentee ballot had been rejected in error, the unopened absentee ballot envelope could be counted and the ballot added to the recount. Under this Order, any agreement that a ballot was improperly rejected was voluntary and unanimity was required before a ballot could be counted.

11. Pursuant to the December 18 Order and a subsequent December 24 Order extending the deadline for compliance, and working well into the afternoon on Christmas Eve,

the Secretary of State's Office, local officials, and the two candidates agreed to the Protocol by which any absentee ballot that the local officials and candidates agreed was rejected in error was to be opened and counted in the election for United States Senator.

12. Local officials in the elections offices and county attorneys offices throughout the state worked long hours throughout the holiday week to identify such ballots and to furnish both candidates lists of ballots recommended to be opened and counted. By the close of business on Friday, December 26, the local officials' lists totaled 1,346 ballots, from 60 counties.

13. Campaign representatives were given the opportunity to object to the 1,346 identified ballots. Eventually, the campaigns reached agreement that 933 of the 1,346 ballots identified by local officials would be opened and counted. These ballots were sent to the Secretary of State's office, where they were opened and counted in the presence of campaign representatives.

14. Coleman is now estopped from challenging the absentee ballots described in paragraph 12(d). Coleman's claims of irregularity as to some of the 933 ballots is also barred by laches and the doctrine of unclean hands.

15. To the extent that Coleman failed to challenge the ballots described in Paragraph 13 of his Notice during the recount, the allegations of that paragraph are barred by laches and estoppel.

#### **Failure to Exhaust Administrative Remedies**

16. Coleman had, and frequently took advantage of, the opportunity to have local election officials and the State Canvassing Board address such issues as voter intent, spoiled or distinctively marked ballots, voter eligibility, and absentee ballot validation. To the extent he now raises issues not raised before, he has failed to exhaust his administrative remedies.

## **COUNTERCLAIMS**

For the reasons described in Franken's separate Motion to Dismiss, the Court lacks jurisdiction under Minn. Stat. § 209.12 to make any findings or conclusions regarding irregularities but instead must limit its action to taking and preserving evidence for determination by the United States Senate. Franken seeks only such relief, unless Coleman is allowed to seek any broader relief, in which case Franken requests the same opportunity. For purposes of such marshalling of evidence for the Senate, Franken alleges as follows:

1. All counterclaims are conditioned on rejection by the Court of Franken's arguments as to the Court's jurisdictional limits, the failure of Coleman to state any claim justifying further prosecution of his Notice, and the lack of specificity in all but a few of Coleman's claims. If Coleman is allowed to make general allegations of irregularity (whether denominated errors, illegalities, mistakes, matters, things, or otherwise), Franken alleges that any and all such irregularities operated to his detriment and should be the subject of discovery and preservation of evidence.

2. Franken is a Minnesota resident qualified as an eligible voter under Minnesotan election law. Franken voted in the General Election. In the absence of the irregularities in the determination of the number of ballots lawfully cast in the General Election described below, Franken's margin of victory would be even larger than was certified by the State Canvassing Board.

### **FIRST COUNTERCLAIM**

#### **LAWFULLY CAST ABSENTEE BALLOTS REJECTED BY COLEMAN**

3. Although Franken agreed with local election officials that many of the absentee ballots on the list of 1,346 ballots were obviously erroneously rejected, Coleman's campaign

objected to the opening and counting of many such ballots. In Duluth, in St. Louis County, Coleman refused to allow 35 absentee ballots, identified below, to be counted solely because the dates of the signatures of the voter and witness were not the same:

#	Voter Name	Precinct
1	Guilford Lewis	Duluth P-1
2	Stephanie Krieg	
3	Phyllis Sanderson	
4	Amanda Feiro	
5	Joan Hughes	
6	Marian Arras	
7	Loren Johnson	
8	Mary Vance Nordin	
9	Leah Iverson	Duluth P-3
10	Patrick McEnaney	
11	Katie Kwon	
12	Dorothy Halvorson	
13	Mary M. Bell	
14	Jay Baker	
15	Susan Fryberger	Duluth P-7
16	Lauren Hendricks	
17	Brett Udesen	Duluth P-8
18	Susan Wilmes	
19	Kenneth Ensele	
20	Claude Kosbab	
21	Lance Meyer	
22	Sarah Knutie	
23	Sarah Gross	Duluth P-13
24	Cassandra Saari	
25	Andrew Scheidel	Duluth P-14
26	Gerald Markey

32	Irwin St. John	
33	Joanne Woods	Duluth P-26
34	June Srok	
35	Barbara Bischoff	Duluth P-31

The ballot envelopes at issue are attached as Exhibit C.

4. Minn. Stat. § 203B.12 does not allow election judges to reject absentee ballots because the voter or the witness misdates their signature or because the voter and witness did not, on the same day, date their averments.

## SECOND COUNTERCLAIM

### ERRONEOUSLY REJECTED ABSENTEE BALLOTS

5. Franken has identified a large number of absentee ballots that were rejected in error by election judges and local election officials, and which were not included on the list of 1,346 wrongfully rejected absentee ballots created by local election officials, and were not counted as part of the recount. In Exhibit D, for each voter identified below, Franken attaches declarations from each voter and/or other supporting documentation demonstrating that local election officials rejected each ballot in error.

Franken has also identified a large number of other absentee ballots that election judges and local election officials rejected in error (or that Franken has reason to believe were rejected in error), including (1) ballots that were included on the list of 1,346 wrongfully rejected absentee ballots created by local election officials, and which were not counted as part of the recount; and (2) ballots that were not included on the list of 1,346 wrongfully rejected absentee ballots created by local election officials. These erroneously rejected absentee ballots are identified in Exhibit E.

### **THIRD COUNTERCLAIM**

#### **MISSING BALLOTS**

6. In a number of precincts not selected by Coleman, ballots went missing between Election Day and the recount. Under Minnesota case law, a ballot serves as the best evidence of a vote. But when ballots are missing, or their integrity is otherwise compromised, election officials must turn to the next best evidence: here, the vote totals provided by election officials on Election Day. Where, as here, actual ballots cast on Election Day cannot be found, local election officials must submit—and the State Canvassing Board must accept—the Election Day return as reflecting the proper tally of votes for purposes of the canvass, the recount, and the Board’s certification of the results under Minn. Stat. § 204C.33.

7. In Oakport Township in Clay County, for example, five ballots went missing between Election Day and the recount. Upon the completion of the recount, it was discovered that there was a shortage of five ballots and 5 Franken votes. No ballots had been challenged and no other totals had changed. Election officials looked in all other precinct boxes, other envelopes, and the automatic tabulation machines. The five missing ballots, all cast for Franken, could not be found. Despite the missing ballots, only the number of ballots located during the recount was certified.

8. Similarly, ballots went missing during the course of the recount from the following precincts and were not adjusted for, resulting in a net loss of votes for Franken:

<b>COUNTY</b>	<b>PRECINCT</b>	<b>NET LOSS TO FRANKEN</b>
Chisago	Chisago City A	1
Chisago	Harris B	2
Clay	Moorhead 1-3	5
Dakota	Inver Grove Heights 4	4
Hennepin	Brooklyn Center 7	4
Hennepin	Minneapolis 3-3	5
Hennepin	Plymouth 3-18	1
Hennepin	Richfield 1-4	2
Hubbard	Todd Township 1	2
Olmsted	Rochester 3-6	2
Ramsey	St. Paul 5-2	5
Ramsey	St. Paul 5-8	6
Stearns	St. Cloud 3-1	2
Washington	Cottage Grove	5
Washington	Oak Park Heights 2	7
Washington	Woodbury 10	2

#### **FOURTH COUNTERCLAIM**

##### **COUNTING OF ORIGINAL AND DUPLICATE BALLOTS**

9. If and when Coleman is allowed to and does identify the “numerous precincts throughout the State of Minnesota,” and proves that irregularities did, in fact occur during the

recount, Franken reserves the right to identify additional precincts in which the numbers of original ballots and duplicate ballots were not identical and propose procedures whereby all identified precincts are treated uniformly with respect to inspection and relief, if any, ordered by the Court.

10. Coleman gained votes in the recount in certain precincts where the increase is as likely due to counting of original and duplicate ballots as in the precincts identified by Coleman.

Those precincts are:

COUNTY	PRECINCT	COLEMAN GAIN
Anoka	Columbia Heights 5	2
Dakota	Eagan 5	2
Dakota	Lakeville 3	2
Dakota	Lakeville 6	4
Dakota	Rosemount 2	2
Dakota	Rosemount 4	6
Hennepin	Brooklyn Park C-2	3
Hennepin	Plymouth 3	2
Ramsey	St. Paul 7-5	3
Ramsey	Shoreview 6	2
Sherburne	Elk River 2-2B	2
Wright	Annandale	4

#### FIFTH COUNTERCLAIM

#### ILLEGAL VOTES

11. Under Minn. Stat. § 201.014, subd. 2, individuals convicted of felonies whose civil rights have not been restored are ineligible to vote. Under Minn. Stat. § 204C.13, if election judges determine that a voter is not eligible to vote, they must place the ballot of that voter unopened among the spoiled ballots.

12. On November 4, 2008, Eric S. Willems cast a ballot for Coleman at the Lake Town Hall polling station in Roseau County. Although Mr. Willems is a convicted felon whose

voting rights have not been restored, local election judges erroneously allowed Mr. Willems' ballot to be placed in the ballot box. It was thereafter included among the votes certified by the State Canvassing Board on January 5, 2009.

13. Mr. Willems' ballot was not lawfully cast, and therefore was erroneously included in the votes certified by the State Canvassing Board on January 5, 2009.

#### **SIXTH COUNTERCLAIM**

##### **COLEMAN'S BIASED REQUEST FOR JUDICIALLY-SUPERVISED RE-RECOUNT**

14. Coleman apparently seeks a judicially supervised re-recount only in certain precincts selected due to their likelihood of artificially and erroneously changing the net vote difference in Coleman's favor. Such an approach is improper under Chapter 209 and the Minnesota and United States Constitutions, at least unless there is a specific allegation of errors in counting during the recount in those jurisdictions that materially altered the result. Coleman did not provide such allegations within the seven day period allowed by statute. If a judicially supervised re-recount is to occur, Franken should be entitled to specify corresponding precincts to be re-recounted as part of Coleman's contest. Should that procedure be denied, Franken brings as this counterclaim a claim to re-counting in precincts of his choice.

**WHEREFORE**, Contestee Al Franken respectfully requests the following relief:

1. That Contestants' Notice of Contest be dismissed with prejudice.
2. That the Court declare and adjudge that Contestant Al Franken is entitled to receive a certificate of election if that has not already been received.
3. That the Court grant Franken attorney fees and costs.
4. That the Court grant to Franken such other relief as is just and equitable.

**INTRODUCTION**

In response to the Amended Petition, this Court ordered the parties to participate in a process designed to alleviate equal protection concerns and to ensure the counting of improperly rejected absentee ballots. Despite the parties' good faith efforts, there is evidence demonstrating that similar ballots are being treated differently in the various counties. Local election officials are still applying different standards to determine which rejected absentee ballots should be reviewed by the candidates for possible agreement on

**EXHIBIT A**

counting them: some election officials, urged on by Intervenor-Respondents and confusing direction from the Secretary of State's Office, have refused even to consider rejected absentee ballots identified by the candidates for further review; others have privately considered such additional ballots; still others have added any additional ballots any party requested. The result is patchwork application of standards, different applications from county to county—precisely what the Court indicated should be avoided.

In order to remedy the defects in the process, Petitioners request that this Court enter an order requiring that local election officials convey all absentee ballots identified by any party as having been wrongly rejected to the Secretary of State's Office for a uniform review by the parties.

#### **RELEVANT FACTUAL BACKGROUND**

Pursuant to this Court's December 24, 2008 Order modifying the process by which improperly rejected absentee ballots were to be identified and counted, the parties negotiated a protocol for the conduct of that process (the "Protocol"). The Protocol reflected the parties' good faith negotiation and agreement regarding the appropriate means to accomplish the Court's mandate. *See* Affidavit of Tony P. Trimble, Exs. A ("Protocol") and B (December 24, 2008 email from Deputy Secretary of State Jim Gelbmann). Among other things, it contemplated that in addition to the 1,342 ballots identified by local election officials as being wrongly rejected, either candidate could suggest other rejected absentee ballots to be reviewed by all parties to determine whether they too had been improperly rejected. *See* Trimble Aff., Ex. A (Protocol ¶¶ 11(b), (d)).

Based on the envelopes earlier provided by the counties, the Coleman campaign was able to identify approximately 650 such additional ballots that appear on their face to raise a question as to whether the ballots were properly rejected. *Id.* at ¶ 4. Many involve signature mismatches that cannot be reconciled without reviewing the application materials.<sup>1</sup> Among the 1,342 ballots identified for review by local election officials are numerous ballots that similarly have mismatched signatures. The inconsistent treatment by local officials—and Intervenor-Respondents—has kept similarly situated ballots on the Coleman campaign list, however, out of the universe of ballots to be reviewed. If signature mismatches are allowed in one group, they should be allowed in the other.

As circumstances have unfolded, some local election officials have declined to allow inspection of supporting materials related to such additional ballots while others have allowed such inspection, thus creating the potential for substantial equal protection problems, prejudicing Petitioners and jeopardizing the integrity of the process. *See generally* Trimble Aff. at ¶¶ 4-9 and Exs. E - J, together with Affidavits of Frederic Knaak, Chris Tiedeman and Kristen Fuzer. Stearns County officials, for example, have sent any ballot envelopes and related documentation identified by its election officials or either candidate to the Secretary of State's Office. *See* Trimble Aff., Ex. G. Hennepin

---

<sup>1</sup> Prior to the hearing on Petitioners' Amended Petition and pursuant to Data Practices Act requests, the counties had provided Petitioners and Intervenor-Respondents with copies of rejected absentee ballot envelopes; however, most counties did not provide copies of absentee ballot applications. The Protocol contemplated local election officials providing the campaigns with copies of absentee ballot applications to enable the campaigns to verify whether absentee ballots rejected due to discrepancies between the envelope and the corresponding application were properly rejected. Trimble Aff., Ex. A (Protocol at ¶ 10).

County will allow the candidates to review all requested additional ballot envelopes, together with related documents, at an upcoming meeting. *See id.*, Ex. E. Sherburne County reviewed the additional absentee ballots identified by Petitioners by itself, without either candidate having access to the related applications and other materials, and declined to include any additional ballots identified by Petitioners in the group it intends to send to the Secretary of State. *Fuzer Aff.* at ¶ 4. St. Louis County declined to consider any additional rejected absentee ballots in large part because it deemed the request untimely. *See Knaak Aff.* at ¶ 3. In Anoka County, the Franken campaign opposed consideration of any ballots beyond those earlier identified by officials. *See Trimble Aff.*, Ex. I. In summary, as a result of the disparate treatment of Petitioners' request that additional rejected absentee ballots be considered for full review, it appears likely that similarly situated rejected absentee ballots will be treated differently: some will be counted—and others will not.

Petitioners have brought their concerns to the attention of the Secretary of State and Intervenor-Respondents and suggested that all additional ballots identified by either campaign (Intervenor-Respondents themselves having identified 85 such ballots) be reviewed by all parties. *See Trimble Aff.*, Exs. D and K. Both have declined to do so: Mr. Gelbmann of the Secretary of State's Office took the position that additional ballots were identified too late in the process; counsel for Intervenor-Respondents has objected to the inclusion of any ballots identified by the Coleman campaign, even as they have sought the inclusion of those they claim to have identified. *Id.*, Exs. D, G and I; *Knaak Aff.* at ¶ 3.

## ARGUMENT

This Court's December 18, 2008 Order, as modified by the December 24, 2008 Order, clearly contemplated that all absentee ballots which the parties agree were wrongly rejected should be counted without awaiting an election contest. December 18, 2008 Slip Op. at 2. In order to ensure that such ballots are counted, all three parties—Petitioners, Intervenor-Respondents and the responsible local election officials—should be given the opportunity to review all relevant materials and decide whether they agree that the absentee ballots were in fact wrongly rejected. Although the Protocol contemplates precisely such a process, it has not occurred. Instead, some local officials have unilaterally decided which absentee ballots will be reviewed to determine whether they have been improperly rejected. As a result, the potential for disenfranchisement—that is, the counting of one ballot but not of another similarly situated—has become enormous.

Having ordered that purportedly improperly rejected absentee ballots are to be reviewed and, if all agree the rejection was improper, be counted during the recount and before an election contest, the Court should ensure that the review process complies with the dictates of fundamental fairness and the Equal Protection Clause of the Fourteenth Amendment. Indeed, pursuant to Minn. R. Civ. P. 65 and its inherent power to effectuate its own orders, this Court should enter an order ensuring that the parties have a fair opportunity to guarantee that improperly rejected ballots are indeed counted.

Doing so would be neither burdensome to local election officials nor prejudicial to any party. Local election officials need do no more than gather the requested envelopes

and related documentation (including applications) and either send them to the Secretary of State's Office or make them available at a regional or local location for review by the parties. The relief also furthers the Court's goal of having all obviously improperly rejected absentee ballots counted during the recount instead of waiting until an election contest, a goal that is precisely what all parties want.

If the Court does not act, the record demonstrates that local election officials have treated similarly situated absentee ballot envelopes differently, a circumstance which raises the same substantial equal protection concerns that Petitioners noted in their Amended Petition. As the examples set forth in the accompanying Affidavits demonstrate, where one county uses "a more forgiving standard" to determine when an absentee ballot was improperly rejected, that county will likely find many more new votes than a county applying a less forgiving standard. *See Bush v. Gore*, 531 U.S. 98, 107 (2000). Unless the candidates are allowed a realistic opportunity to supplement this by identifying additional ballots that should be reviewed, and unless those additional ballots are reviewed, "this is not a process with sufficient guarantees of equal treatment." *Id.* It must therefore be remedied by the relief requested by Petitioners.

Finally, it is no response to say, as Intervenor-Respondents undoubtedly will, that the failure to adhere to the Protocol requires the Court to deny the requested relief. The fact is that delays are fairly laid at the doorstep of all parties. *See Trimble Aff., Ex. J.* Moreover, to apply the Protocol as written would mean no rejected absentee votes would be counted because the dictates of Section 15 of the Protocol were not followed. This would be an absurd result and one clearly at odds with the Court's December 24, 2008

Order. In any event, to elevate the Protocol over the reality that similarly situated ballots would be treated differently—some would be opened and counted while others would not—is to ignore the dictates of the constitutional right to equal protection.

**RELIEF REQUESTED**

The Court accordingly should enter an order:

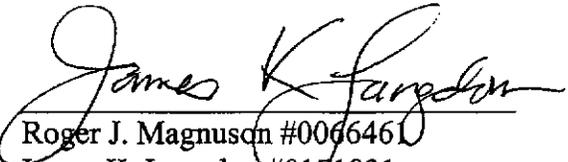

(a) directing local election officials to segregate and convey to the Secretary of State's Office each and every rejected absentee ballot envelope, together with the related application and any other relevant documentation, that has been identified—by Petitioners, Intervenor-Respondents or the responsible local election officials—as potentially having been improperly rejected; and

(b) directing the Secretary of State, together with representatives of the Petitioners and the Intervenor-Respondents, to review such envelopes and other relevant documentation to enable them to determine whether they agree that such ballots were in fact wrongly rejected.

For the reasons set forth above, and based on the accompanying Affidavits as well as the Amended Petition and previous briefing in this matter, Petitioners respectfully request that the Court grant the requested relief.

STATE OF MINNESOTA  
IN SUPREME COURT

A08-2169

OFFICE OF  
APPELLATE COURTS

DEC 18 2008

FILED

Norm Coleman, et al.,

Petitioners,

vs.

Mark Ritchie, Minnesota Secretary of  
State, The Minnesota State Canvassing Board,  
Isanti County Canvassing Board, et al.,

Respondents,

Al Franken for Senate and Al Franken,

Intervenor-Respondents.

ORDER

Petitioners Norm Coleman, et al., have filed a petition and an amended petition under Minn. Stat. § 204B.44 (2006) concerning the election for United States Senator from Minnesota held on November 4, 2008, in which petitioners ask this court to (1) order county election officials and county canvassing boards to take no additional action related to rejected absentee ballots until further order of this court; (2) direct all respondents that no rejected absentee ballots be counted in the pending administrative recount and that all issues related to such ballots are to be raised, if any party so chooses, in an election contest under Minn. Stat. ch. 209 (2006); (3) order that all rejected absentee ballot envelopes and corresponding ballots be preserved and kept segregated in a manner

permitting the ballot to be linked to its envelope in the event of a future election contest; or (4) in the alternative, designate procedures specified in the petition to be followed if county canvassing boards are allowed or directed to open and count previously rejected absentee ballots. In addition, petitioners separately filed a motion for a temporary restraining order or temporary injunction.

The legislature has created processes for correction by county canvassing boards of "obvious errors in the counting and recording of the votes." Minn. Stat. §§ 204C.38 and .39 (2006). In reliance on section 204C.39 in particular, it has been suggested or recommended to county canvassing boards that they may identify previously rejected absentee ballot envelopes that were rejected in error and now open those envelopes, count those ballots, and submit amended reports of the number of votes received by each candidate to the county auditor for submission to the State Canvassing Board.

We conclude that improper rejection of an absentee ballot envelope is not within the scope of errors subject to correction under sections 204C.38 and .39, and therefore county canvassing boards lack statutory authority to count such ballots and submit amended reports on that basis. But where the local election officials and the parties agree that an absentee ballot envelope was improperly rejected, correction of that error should not be required to await an election contest in district court. *See Andersen v. Donovan*, 264 Minn. 257, 119 N.W.2d 1 (1962); Minn. Stat. § 204B.44 (2006).

Based upon all the files, records and proceedings herein,

IT IS HEREBY ORDERED THAT:

1. The petition of Norm Coleman et al., for relief under Minn. Stat. § 204B.44 be, and the same is, granted in part and denied in part.

2. All local election officials, county canvassing boards, the Secretary of State, and the Minnesota State Canvassing Board are enjoined from opening any previously rejected absentee ballot envelopes and from including any previously rejected absentee ballots in the administrative recount now underway, except as provided herein.

3. Because previously rejected absentee ballots that all agree were rejected improperly should be counted, and in light of the fact that the State Canvassing Board has not yet certified the final results of the recount, we order candidates Norm Coleman and Al Franken and their campaign representatives, the Secretary of State, and all county auditors and canvassing boards to establish and implement a process, as expeditiously as practicable, for the purpose of identifying all absentee ballot envelopes that the local election officials and the candidates agree were rejected in error. The local election officials shall identify for the candidates' review those previously rejected absentee ballot envelopes that were not rejected on any of the four bases stated in Minn. Stat. § 203B.12 (2006), or in Minn. Stat. § 203B.24 (2006) for overseas absentee ballots. Any absentee ballot envelopes so identified that the local election officials and the candidates agree were rejected in error shall be opened, the ballot shall be counted, and its vote for United States Senator added to the total votes cast for that office in that precinct. A candidate shall be permitted to challenge the declaration of which candidate for United States

Senate such a ballot is to be counted for, using the challenge standards utilized during the pending recount process. The respective county canvassing board shall file an amended report including the absentee ballot(s) so counted, and the State Canvassing Board shall accept the amended report and include its numbers in the pending recount. If in any county there are no absentee ballot envelopes that the local officials and the candidates agree were rejected in error, the county canvassing board shall notify the State Canvassing Board that no amended report will be submitted for that county. The State Canvassing Board shall not certify the final results of the recount prior to receipt of either an amended report or a notice of no amendment from each county canvassing board. Although we recognize the extraordinary efforts of local election officials already expended related to this election and are loath to impose additional burdens, particularly at this time of year, the compelling need to move toward a conclusion requires the imposition of a deadline for completion of the process directed herein. Accordingly, all amended reports and notices of no amendment shall be transmitted to the State Canvassing Board not later than 4:00 p.m., December 31, 2008.

4. In reviewing previously rejected absentee ballot envelopes for purposes of reaching agreement whether the ballot envelope was rejected in error, the parties are reminded of their obligations under Minn. R. Civ. P. 11 that by presenting a pleading or other paper to the court, any attorney or unrepresented party is certifying to the court that such pleading or other paper is not being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation. In the event of a subsequent election contest under Minn. Stat. ch. 209 in which a party seeks a

determination by the district court as to the propriety of the rejection of absentee ballots, parties and their counsel shall be subject to sanction for any previously rejected absentee ballot that was made available to the parties for review pursuant to paragraph 3 of this order and as to which the court determines the standards of Rule 11 were not met.

5. Petitioners' motion for a temporary restraining order or temporary injunction be, and the same is, denied as moot.

6. So as not to impair the orderly election process, this order is issued with opinions to follow.

## DISSENT

PAGE, Justice (dissenting).<sup>1</sup>

Josef Stalin is alleged to have once said, “I consider it completely unimportant who . . . will vote, or how; but what is extraordinarily important is this—who will count the votes, and how.”

Today the court gives credence to that proposition by preventing at least some number of validly cast votes from being included in the final canvass of the election for Minnesota’s United States Senate seat currently held by Senator Norm Coleman. As a result, these Minnesota citizens who cast their votes for Senator Coleman and Al Franken, as well as in other election contests on the ballot, will be disenfranchised. Therefore, I respectfully dissent.

By its order, the court holds that canvassing boards do not have authority under Minn. Stat. §§ 204C.38 and .39 (2008) to correct obvious errors in the improper rejection of validly cast absentee ballots. The court holds that the decision to reject and not count validly cast absentee ballots does not fall under the plain language of “counting or recording.” I disagree with that narrow and contrived interpretation.

Notwithstanding that holding, the court orders the candidates and local election officials to review the rejected absentee ballots and determine which of those ballots were rejected in error. For ballots which they all agree were rejected in error, the court orders that

---

<sup>1</sup> I join the dissent of Justice Paul H. Anderson and my full dissent will accompany the court’s full opinion. I write separately at this stage to make a number of points.

those ballots be opened and counted. In effect, the court is deciding that though the legislature designated the procedures in section 204C.38 for “obvious errors in the counting or recording of the votes,” the same procedures can also be used for other errors, as long as the candidates are all in agreement. The court, with one hand, takes away the canvassing boards’ authority to apply the procedures of section 204C.38 to improperly rejected ballots, while with the other hand, orders the boards to do exactly what it just took away, without giving any concern to legislating from the bench.

In addition, section 204C.39 provides a procedure to correct “obvious errors in counting or recording the votes” when the candidates are not in agreement. There is no legitimate rationale as to why the procedures in section 204C.38 are acceptable, but not the procedures in section 204C.39, for correcting improperly rejected absentee ballots. Instead, the court relies on its authority under Minn. Stat. § 204B.44 (2008) to ensure that its order does not seem inconsistent.

But “foolish consistency is the hobgoblin of little minds,” and therein lies the rub. The court’s ruling denies county canvassing boards which have reached the decision—that an absentee ballot was rejected in obvious error—the ability to correct those errors unless the candidates agree. The court’s order may seek the peaceful way out by asking the campaigns to agree on improperly rejected ballots. But the order does not guarantee that the candidates and their political parties will agree on any rejected ballot. Instead, the court’s order will arbitrarily disqualify enfranchised voters on the whim of the candidates and political parties without the benefit of the legislatively authorized procedures in section 204C.39.

It is a perverse result, indeed, for political parties and their candidates to determine whether a voter's absentee ballot was properly or improperly rejected. By making the acceptance of an improperly rejected ballot contingent on the candidates' agreement, the court has abdicated its role as the defender of the fundamental right to vote. Instead, it has made the candidates and their parties the gatekeepers—even though they are likely to be more concerned with their own election prospects than with protecting the absentee voter's right to vote.

Further, the court's order pays lip service—but only that—to the principle that all valid votes are to be counted, including those of absentee voters. We stated in *Erlandson v. Kiffmeyer*, 659 N.W.2d 724, 734 (Minn. 2003), that “[t]he purpose of the absentee ballot is to enfranchise those voters who cannot vote in person.” Because the requirements for absentee voting are quite stringent, we have tried to avoid disenfranchising “the very people the absentee voter laws are intended to benefit.” *Id.* Today's order burdens the absentee voter's fundamental right to vote.

Those whose absentee ballots do not fall into one of the four categories for rejecting absentee ballots under Minn. Stat. § 203B.12 (2008) have, to this point, done everything the state has asked of them: they have requested absentee ballots; they have filled them out completely and correctly; and they have timely returned them to the proper authorities—all with the expectation that the government will then do its part and count their vote. But the court's order places the burden on the voter whose absentee ballot has been wrongly rejected to correct the election officials' error. First, it is unclear that a voter will be given timely notification that his or her vote has been rejected.

Assuming that the voter discovers the improper rejection, the voter has three options. The voter can ask both candidates to agree that his or her vote was improperly rejected and should be counted. Failing that, the voter can file a petition under Minn. Stat. § 204B.44(d) (2008) with a judge of this court seeking to correct an error by any election judge or canvassing board. In that situation, the voter must file the petition and serve copies of the petition on the individual charged with the wrongful act. Finally, the voter may also file an election contest under the procedures listed in Minn. Stat. ch. 209 (2008). But chapter 209 is costly and burdensome. Most importantly, the scope of an election contest under chapter 209 is primarily concerned with which party received the highest number of votes, not the protection of the fundamental right to vote. Minn. Stat. § 209.12 (2008). Construing sections 204C.38 and .39 to impose such burdens on the absentee voter is irreconcilable with the principle of counting each valid vote cast.

Moreover, the court's order creates the very equal protection problem that the Petitioners contend will arise in the absence of the relief it sought. By treating valid and legally cast absentee ballots differently, depending on whether the candidates and local election officials agree that they were improperly rejected, the court allows a distinction that can only be described as arbitrary.

Finally, the court's order threatens sanctions against the attorneys for the two campaigns and their clients in a future legal proceeding if the attorneys or their respective clients unreasonably refuse to agree that particular absentee ballots were improperly rejected. But the clients, here, have no obligation to agree, whether reasonable or not. It does not appear to me that counsel for either campaign is in a

position to control the outcome of that process, and I question our authority to sanction the attorneys or their clients for a decision that the attorneys' clients have every legal right to make.

The record before us indicates that at least 600 absentee ballots were improperly rejected. Under the court's order, those votes may never be counted, not because of anything that either the voters or their elected officials have or have not done, but simply because this court gives the narrowest possible reading to the language "obvious error in the counting and recording of the vote" and ignores Minn. Stat. § 204C.35 (2008), which requires the canvassing boards to determine "the number of votes validly cast for the office to be recounted." The court's order will allow these voters to be disenfranchised without my vote.

## CONCURRENCE AND DISSENT

ANDERSON, Paul H., Justice (concurring in part and dissenting in part).

It's not the voting that's democracy, it's the counting.

Tom Stoppard, *Jumpers* (1972) Act I

I agree with the majority that we should direct the parties and local election officials to make every effort possible to agree as to those absentee ballots that were rejected in error in Minnesota's 2008 race for the United States Senate. But I disagree with the majority's decision to enjoin county canvassing boards from including, in the absence of such an agreement, any previously rejected absentee ballots in the administrative recount now underway, the effect of which is to bar county canvassing boards from performing their legal duty to determine whether election judges rejected any of such ballots in error. I conclude that the majority's order is flawed because it misreads Minnesota's election laws, is internally inconsistent, and has essentially inserted this court into a political thicket based on a premise that lacks a basis under the law.

In a democracy, the act of voting and having a validly cast vote accurately counted are inextricably linked. The right to have one's vote counted is as important as the act of voting itself.

It has been repeatedly recognized that all qualified voters have a constitutionally protected right to vote and to have their votes counted, *United States v. Mosley*, 238 U.S. 383, 35 S. Ct. 904, 59 L. Ed. 1355. In *Mosley* the Court stated that it is "as equally unquestionable that the right to have one's vote counted is as open to protection . . . as the right to put a

ballot in a box.” 238 U.S. at 386, 35 S. Ct. at 905. The right to vote can neither be denied outright, nor destroyed by alteration of ballots, nor diluted by ballot-box stuffing. As the Court stated in *Classic*, “Obviously included within the right to choose, secured by the Constitution, is the right of qualified voters within a state to cast their ballots and have them counted . . . . The right to vote freely for the candidate of one’s choice is of the essence of a democratic society, and any restrictions on that right strike at the heart of representative government. And the right of suffrage can be denied by a debasement or dilution of the weight of a citizen’s vote just as effectively as by wholly prohibiting the free exercise of the franchise.

*Reynolds v. Sims*, 377 U.S. 533, 554-55 (1964) (citations omitted).

Our review in this case “must be informed by the recognition that ‘[n]o right is more precious in a free country than having a voice in the election of those who make the laws under which as good citizens we must live’” and that “[o]ther rights, even the most basic, are illusory if the right to vote is undermined.” *Erlandson v. Kiffmeyer*, 659 N.W.2d 724, 729 (Minn. 2003) (quoting *Burson v. Freeman*, 504 U.S. 191, 199 (1992)). We have said that in order to protect this precious right election laws should be liberally construed. In *Quealy v. Warweg*, in reference to an election law, we said that “[t]he statute must be liberally construed so as to effectuate legislative intention and to fully secure to the people their right to express their choice.” 106 Minn. 145, 146, 118 N.W. 673, 673 (1908); see also *Peterson v. Holm*, 243 Minn. 38, 40, 66 N.W.2d 15, 16 (1954). “A technical construction of the language used would be objectionable on general principles, and tend to subvert the purposes sought to be attained.” *Dougherty v. Holm*, 232 Minn. 68, 71-72, 44 N.W.2d 83, 85 (Minn. 1950); *Quealy*, 106 Minn. at 146, 118 N.W. at 673. My full dissent will accompany the court’s full opinion in this matter. I write separately at this stage to emphasize that the court’s decision today is inconsistent

with the foregoing fundamental principles that we have said apply to voting and the counting of votes.

The court's order is based on a very narrow definition of the phrase "obvious error in the counting or recording of the votes for an office" as used in Minn. Stat. §§ 204C.38 and .39 (2006). Under the majority's definition, a canvassing board can do nothing more than correct arithmetic errors in the vote totals. But I conclude that under these statutes, an error in rejecting an absentee ballot, i.e., an *obviously erroneous* exclusion of such ballot from the total number of ballots counted on election night, must necessarily be within the meaning of this phrase. Moreover, as Justice Page points out in his dissent, given that this phrase is used in both sections 204C.38 and .39, it is logically inconsistent to permit ballots to be counted under 204C.38 while prohibiting ballots from being counted under 204C.39.

The majority's narrow construction of the county canvassing board's authority to correct the mistakes of election judges is also inconsistent with the duties of the county canvassing board under Minn. Stat. § 204C.33, subd. 1 (2006). Under that statute, the county canvassing board meets after the general election to "canvass the general election returns delivered to the county auditor." Minnesota Statutes § 204C.27 (2006) defines what is "returned" to the county auditor following a general election, and it is not limited to the ballots actually "counted" on election night. The county canvassing board is therefore to canvass not just the ballots actually counted on election night, but all ballots returned to the county auditor. The county canvassing board then prepares a report that states, not those votes actually counted on election night but "the number of votes

received by each candidate,” which need not be the same thing. And, as we ruled in *Andersen v. Donovan*, 264 Minn. 257, 267, 119 N.W.2d 1, 8 (1962), if a county canvassing board can correct errors in its initial canvass, it should be able to correct those same errors even after the initial canvass is completed.

Not only is a narrow construction of “obvious error” contrary to statute, but it is contrary to our long-standing precedent and to the principles on which that precedent is based. In *Andersen*, we observed that to hold that the results of that election “must be based on the return that everyone concedes is erroneous would be a perversion of our whole election process in the pursuit of strict adherence to statutes that need not be so strictly construed.” 264 Minn. at 269, 119 N.W.2d at 9. Yet, the majority’s construction of “obvious error” does exactly that: allow election returns that no one can reasonably agree reflect all validly cast ballots to stand unless the disenfranchised voters petition the courts for redress.

At this point, it is appropriate to give an example of an obvious error in counting and recording absentee ballots that can, and should, be addressed by a county canvassing board before the State Canvassing Board certifies a winner in the Senate election. Two voters, residing at the same address in a metro area suburb, cast absentee ballots in the November 4 election, but their ballots were rejected by election judges. The reason given for the rejection is listed as code number “3.” Code number 3 is described under the “Reason Code Description” as being: “The voter was not registered and eligible to vote in the precinct or has not included a properly completed voter registration application.” This reason for rejection tracks Minn. Stat. § 203B.12, subd. 2(3) (2006), which provides

that for an absentee ballot to be marked "Accepted" election judges must be satisfied that "the voter is registered and eligible to vote in the precinct or has included a properly completed voter registration application in the return envelope." Thus it appears from intrinsic evidence that the two voters' absentee ballots were rejected because the voters were not registered to vote.

Yet there is evidence, intrinsic to the electoral system, that the absentee ballots of these two voters were improperly rejected and their votes therefore were not counted. The Secretary of State's voter identification record shows that both are not only registered voters but diligent voters. One has voted in every primary and general election since 1994, as well as a special election and a school board election.<sup>2</sup> The other has

voted in all general elections since 1994, all but two primary elections since that date, and several local elections.<sup>3</sup> In all of these elections, both voted in person and most recently in the primary election held on September 9, 2008.

Nevertheless, the ballots of these two voters were rejected and not counted. Based on the foregoing information, the election judges' rejection of these ballots can only be described as the result of an "obvious error in counting or recording." Not only were their votes not counted for the Senate race, but also they were not counted for any other race for which their votes were validly cast. I believe that these voters, who have in the past been conscientious and diligent in exercising their enfranchised right, would be both surprised and chagrined to know that their votes have not been counted due to obvious human error. Further, their trust and confidence in our voting system may well be

significantly undermined once they learn that, as a result of an obvious error, their absentee ballots were not only rejected but that, once the error was discovered, Minnesota law as interpreted by the majority does not allow the county canvassing board to simply correct the error.<sup>4</sup>

The foregoing example points out a further problem with the court's order. In *Andersen* we observed that the purpose of the predecessor of Minn. Stat. § 204C.39 "obviously was to permit correction at the county level of obvious errors committed by the precinct judges in order to avoid the necessity of an election contest where possible." *Andersen*, 264 Minn. at 262, 119 N.W.2d at 5 (citing Minn. Stat. § 204.30 (1961)). I conclude that under the statutory scheme in place, it does not and should not fall to the courts of this state to correct errors that other branches of government acknowledge.

I have three summary observations. First, I am perplexed by the petitioners' position that county canvassing boards do not have the ability to review and correct obvious errors in the counting and recording of absentee ballots. Under Minnesota's election system, county canvassing boards are given considerable authority and discretion to fulfill their duty to accurately count votes cast in an election. As indicated above, I conclude that Minnesota's statutory scheme allows county canvassing boards to correct obvious errors before the State Canvassing Board certifies a winner in any given election. I do not understand why petitioners are so reluctant to have this statutory scheme take its normal course so that the county canvassing boards can count absentee ballots that have

---

<sup>4</sup> I note that under 204C.39, subd. (1), if a candidate disagrees with the decision made by the county canvassing board, the candidate may without unreasonable delay apply to the district court for relief.

undisputedly been rejected improperly. This process allows the State Canvassing Board to reach a result without excluding ballots that are undisputedly valid.

Second, I am concerned by what I see as an inconsistency in the majority's opinion, which narrowly construes the term "counting and recording errors," thus limiting the ability of county canvassing boards to deal with anything other than arithmetic errors but nevertheless directs the parties to make every attempt to agree unanimously as to what errors in counting and recording have been made in counting absentee ballots. I appreciate the majority's attempt to see that some of the improperly rejected absentee ballots are counted. But the remedy it has provided was not requested by the parties, and I am not sure can be properly ordered by the court under Minn. Stat. § 204B.44 (2006). Moreover, the inquiry ordered by the court and the process that this inquiry involves obviously extends beyond the majority's interpretation of what a county canvassing board is legally authorized to do. As Justice Page points out, the majority has essentially issued a directive that cannot be fulfilled by county canvassing boards in light of the majority's narrow interpretation of the phrase "counting and recording."

Finally, I note that, although I disagree with the majority's order issued today, it is important to keep in mind that this order is a result of a preliminary skirmish in what appears to be an extended legal contest regarding Minnesota's 2008 Senate election. Winston Churchill is reputed to have once said, in an admiring tone, that Americans ultimately do the right thing after they have exhausted all the other alternatives. Sometimes, the wheels of justice and due process take time to fully turn. While I believe that we have incorrectly exhausted one alternative today, I have complete confidence that

ultimately the right thing will be done and all validly cast absentee ballots will be properly counted.

I respectfully concur in part and dissent in part.

**AFFIDAVIT/DECLARATION OF JEFFREY DUSTIN**

1. My name is Jeffrey Dustin. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 general election ballot was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which a court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony.

3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. Prior to November 4, I submitted a request to vote by absentee ballot for the November general election. My address at the time I submitted my application for an absentee ballot and when I voted was 529 Maple Lane, Moorhead, MN in Clay County.

4. I received the absentee ballot and marked this ballot as prescribed in the instructions included with the absentee ballot form. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope. I signed the ballot with my genuine signature, and returned my absentee ballot. I did not submit any other ballots in the November 4, 2008 election. I did not vote in person on election day.

5. I have not been informed by any election official that there was a problem with my ballot. I am not aware of any reason for election officials to reject my absentee ballot and refuse to count my vote.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 16, 2008.

**AFFIDAVIT/DECLARATION OF DOUGLAS STANGE**

1. My name is Douglas Stange. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 13294 Timberlane Drive, Baxter, MN in Crow Wing County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.
5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had it properly witnessed, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.
6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

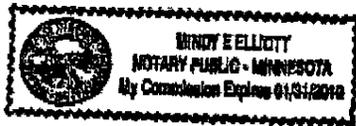

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 18, 2008.

Sworn and subscribed to before me on this 18<sup>th</sup> day of December, 2008.

**Reason Code****Reason Code Description**

- 1** The ballot was rejected because the voter's name and address on the return envelope are not the same as the information provided on the absentee ballot application.
  - 2** The voter's signature on the return envelope is not the genuine signature of the individual who made the application for the ballot and the signature is required under applicable Minnesota law, or the certificate has not been completed as prescribed in the directions for casting an absentee ballot.
  - 3** The voter was not registered and eligible to vote in the precinct or has not included a properly completed voter registration application. Elections personnel shall use available voter rosters to determine whether the voter was registered.
  - 4** The voter had already voted at the election, either in person or by absentee ballot. Elections personnel shall use available voter rosters to determine whether the voter had already voted.
  - 5** If the rejected absentee ballot does not meet one of these four reasons, or if the reason used to reject the absentee ballot is not based on factual information (e.g. the voter was initially determined not to be registered to vote at the address given, but a subsequent review determines the voter was registered at that address), that ballot should be counted as part of a fifth category of previously - rejected absentee ballots - absentee ballots that were mistakenly rejected on or before election day.

**INSTRUCTIONS**

- To vote by absentee ballot, you must be an eligible voter, and you must reside at the legal residence address you give on this application on Election Day. It is a felony to make a false statement in an application for an absentee ballot, to apply for an absentee ballot more than once in an election with the intent to cast an illegal ballot to show a ballot marked by a person to another person, or to violate an absentee ballot provision for the purpose of casting an illegal vote or to help anyone to cast an illegal vote.
  - Be sure to check the appropriate box indicating why you cannot go to your polling place on Election Day; these are the only reasons that entitle you to vote by absentee ballot.
  - Be sure to give your correct legal residence address as completely as possible, since this is used to verify your precinct number.
  - Be sure to sign the application.
  - Return the completed application as soon as possible to the election official from whom you received this form - either the County Property Taxation & Records Department or the Municipal or School District Clerk.
- Remember:**
- You must indicate whether you are requesting ballots for the primary or general election, or both.
  - Do not submit more than one application for each election.
  - Your absentee ballots will be mailed or delivered to you as soon as they are available.
  - Ballots received by election officials after Election Day will not be counted. Your ballot must be received by mail (not just postmarked) at the polling place by Election Day.

**AFFIDAVIT/DECLARATION OF LAURENCE ENGBRETSON**

1. My name is Laurence Engebretson. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 1048 Keefe St, Eagan, MN 55121, in Dakota County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.
5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had it properly witnessed, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 21, 2008.

Sworn and subscribed to before me

**Reason Code****Reason Code Description**

- 1** The ballot was rejected because the voter's name and address on the return envelope are not the same as the information provided on the absentee ballot application.
- 2** The voter's signature on the return envelope is not the genuine signature of the individual who made the application for the ballot and the signature is required under applicable Minnesota law, or the certificate has not been completed as prescribed in the directions for casting an absentee ballot.
- 3** The voter was not registered and eligible to vote in the precinct or has not included a properly completed voter registration application. Elections personnel shall use available voter rosters to determine whether the voter was registered.
- 4** The voter had already voted at the election, either in person or by absentee ballot. Elections personnel shall use available voter rosters to determine whether the voter had already voted.
- 5** If the rejected absentee ballot does not meet one of these four reasons, or if the reason used to reject the absentee ballot is not based on factual information (e.g. the voter was initially determined not to be registered to vote at the address given, but a subsequent review determines the voter was registered at that address), that ballot should be counted as part of a fifth category of previously - rejected absentee ballots - absentee ballots that were mistakenly rejected on or before election day.

3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. Prior to November 4, I submitted a request to vote by absentee ballot for the November general election, and thereafter received an absentee ballot to vote.

4. My permanent address at the time I submitted my application for an absentee ballot and when I voted was 1200 Seminole Avenue, West, St. Paul, MN in Dakota County. When I had originally registered to vote, my address was 227A Lottie Hall CSB, St. Joseph, MN. When I submitted my application, the clerk told me to fill out a voter registration application, along with my absentee ballot. I completed the voter registration application, and completed my ballot and enclosed the voter registration application.

5. I had my absentee ballot witnessed in the manner prescribed in instructions included with the absentee ballot. This is the only ballot I submitted in the November 4, 2008 election. In the U.S. Senate race, I voted for Al Franken.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

## AFFIDAVIT/DECLARATION OF KATIE KASZYNSKI

1. My name is Katie Kaszynski. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 15016 Portland Ave. S, Burnsville, MN 55306, in Dakota County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and signed my application with my genuine signature.
5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had it properly witnessed, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.
6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 18, 2008.

SOS Voter Election History VoterId	Election Date	Election Description	Voting Method
3670537	11/2/2004	11/02/2004 - STATE GENERAL	A

**Reason Code****Reason Code Description**

- 1** The ballot was rejected because the voter's name and address on the return envelope are not the same as the information provided on the absentee ballot application.
- 2** The voter's signature on the return envelope is not the genuine signature of the individual who made the application for the ballot and the signature is required under applicable Minnesota law, or the certificate has not been completed as prescribed in the directions for casting an absentee ballot.
- 3** The voter was not registered and eligible to vote in the precinct or has not included a properly completed voter registration application. Elections personnel shall use available voter rosters to determine whether the voter was registered.
- 4** The voter had already voted at the election, either in person or by absentee ballot. Elections personnel shall use available voter rosters to determine whether the voter had already voted.
- 5** If the rejected absentee ballot does not meet one of these four reasons, or if the reason used to reject the absentee ballot is not based on factual information (e.g. the voter was initially determined not to be registered to vote at the address given, but a subsequent review determines the voter was registered at that address), that ballot should be counted as part of a fifth category of previously - rejected absentee ballots - absentee ballots that were mistakenly rejected on or before election day.

**INSTRUCTIONS**

1. To vote by absentee ballot, you must be an eligible voter, and you must reside at the legal residence address you give on this application on Election Day. It is a felony to make a false statement in an application for an absentee ballot, to apply for an absentee ballot more than once in an election with the intent to cast an illegal ballot, to show a ballot marked by a person to another person, or to violate an absentee ballot provision for the purpose of casting an illegal vote or to help anyone to cast an illegal vote.
  2. Be sure to check the appropriate box indicating why you cannot go to your polling place on Election Day; these are the only reasons that entitle you to vote by absentee ballot.
  3. Be sure to give your correct legal residence address as completely as possible, since this is used to verify your precinct number.
  4. Be sure to sign the application.
  5. Return the completed application as soon as possible to the election official from whom you received this form - either the County Treasurer-Auditor or the Municipal or School District Clerk.
- Remember:**
1. You must indicate whether you are requesting ballots for the primary or general election, or both.
  2. Do not submit more than one application for each election.
  3. Your absentee ballots will be mailed or delivered to you as soon as they are available.
  4. Ballots received by election officials after Election Day will not be counted. Your ballot must be received by mail (not just postmarked) at the polling place by Election Day.

**Instructions for Completing the Absentee Ballot Application**

1. To vote by absentee ballot, you must be an eligible voter, and you must reside at the legal residence address you give on this application on Election Day. It is a felony to make a false statement in an application for an absentee ballot, to apply for an absentee ballot more than once in an election with the intent to cast an illegal ballot, to show a ballot marked by a person to another person, or to violate an absentee ballot provision for the purpose of casting an illegal vote or to help anyone to cast an illegal vote.
2. Be sure to check the appropriate box indicating why you cannot go to your polling place on Election Day; these are the only reasons that entitle you to vote by absentee ballot.
3. Be sure to give your correct legal residence address as completely as possible, since this is used to verify your precinct number.
4. Be sure to sign the application. If you cannot sign your name, you may make a mark.
5. Return the completed application as soon as possible to the election official from whom you received this form.

**Remember:**

1. You must indicate whether you are requesting ballots for the primary or general election, or both.
2. Do not submit more than one application for each election.
3. Your absentee ballots will be mailed or delivered to you as soon as they are available.

**Reason Code****Reason Code Description**

- 1 The ballot was rejected because the voter's name and address on the return envelope are not the same as the information provided on the absentee ballot application.
- 2 The voter's signature on the return envelope is not the genuine signature of the individual who made the application for the ballot and the signature is required under applicable Minnesota law, or the certificate has not been completed as prescribed in the directions for casting an absentee ballot.
- 3 The voter was not registered and eligible to vote in the precinct or has not included a properly completed voter registration application. Elections personnel shall use available voter rosters to determine whether the voter was registered.
- 4 The voter had already voted at the election, either in person or by absentee ballot. Elections personnel shall use available voter rosters to determine whether the voter had already voted.
- 5 If the rejected absentee ballot does not meet one of these four reasons, or if the reason used to reject the absentee ballot is not based on factual information (e.g. the voter was initially determined not to be registered to vote at the address given, but a subsequent review determines the voter was registered at that address), that ballot should be counted as part of a fifth category of previously - rejected absentee ballots - absentee ballots that were mistakenly rejected on or before election day.

SECRETARY OF STATE RECORDS AUTHENTICATION  
DECLARATION

I, Amber Schmugge, declare as follows:

I am over 18 years of age, competent to testify, and make this Declaration based upon personal knowledge of the facts set forth below.

The document attached to this declaration is a true copy of a Minnesota Secretary of State Voter Lookup form regarding Leonard Ponds that I obtained from the official Minnesota Secretary of State Voter File FTP Server on December 4, 2008.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Executed this 15<sup>th</sup> day of December 2008, at St. Paul, Minnesota.

## AFFIDAVIT/DECLARATION OF LEONA QUINLAN

1. My name is Leona Quinlan. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 general election ballot was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which a court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony.
3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. My address at the time I submitted my application for an absentee ballot and when I voted was 6730 Buckley Circle, Inver Grove Heights, MN 55076 in Dakota County. Prior to November 4, I submitted my request to vote by absentee ballot for the November general election. My husband, Thomas Quinlan, and I went into the Northern Dakota County Government Center to vote in person. The city official handed us our ballots. We filled in the ballots in another room. When we came back, the city official must have given us the wrong return envelopes to sign. The same city official witnessed both my husband's and my genuine signatures.
4. In the U.S. Senate race, I voted for Al Franken. I did not submit any other ballots in the November 4, 2008 election.
5. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 17, 2008.

### INSTRUCTIONS

- To vote by absentee ballot, you must be an eligible voter, you must reside at the legal residence address you give on this application on Election Day. It is a felony to make a false statement in an application for an absentee ballot, to apply for an absentee ballot more than once in an election with the intent to cast an illegal ballot, to show a ballot marked by a person to another person, or to violate an absentee ballot provision for the purpose of casting an illegal vote or to help anyone to cast an illegal vote.
  - Be sure to check the appropriate box indicating why you cannot go to your polling place on Election Day; these are the ONLY reasons that entitle you to vote by absentee ballot.
  - Be sure to give your correct legal residence address as completely as possible, since this is used to verify your precinct number.
  - Be sure to sign the application.
  - Return the completed application as soon as possible to the election official from whom you received this form - either the County Treasurer-Auditor or the Municipal or School District Clerk.
- Remember:**
- You must indicate whether you are requesting ballots for the primary or general election, or both.
  - Do not submit more than one application for each election.
  - Your absentee ballots will be mailed or delivered to you as soon as they are available.
  - Ballots received by election officials after Election Day will not be counted. Your ballot must be received by mail (not just postmarked) at the polling place by Election Day.

My address at the time I submitted my application for an absentee ballot and when I voted was 6730 Buckley Circle, Inver Grove Heights, MN 55076 in Dakota County. Prior to November 4, I submitted my request to vote by absentee ballot for the November general election. My wife, Leona Quinlan, and I went into Northern Dakota County Government Center to vote in person. The city official handed us our ballots. We filled in the ballots in another room. When we came back, the city official must have given us the wrong return envelopes to sign. The same city official witnessed both my wife's and my genuine signatures.

4. In the U.S. Senate race, I voted for Al Franken. I did not submit any other ballots in the November 4, 2008 election.

5. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 17, 2008.

**Reason Code****Reason Code Description**

- 1 The ballot was rejected because the voter's name and address on the return envelope are not the same as the information provided on the absentee ballot application.
- 2 The voter's signature on the return envelope is not the genuine signature of the individual who made the application for the ballot and the signature is required under applicable Minnesota law, or the certificate has not been completed as prescribed in the directions for casting an absentee ballot.
- 3 The voter was not registered and eligible to vote in the precinct or has not included a properly completed voter registration application. Elections personnel shall use available voter rosters to determine whether the voter was registered.
- 4 The voter had already voted at the election, either in person or by absentee ballot. Elections personnel shall use available voter rosters to determine whether the voter had already voted.
- 5 If the rejected absentee ballot does not meet one of these four reasons, or if the reason used to reject the absentee ballot is not based on factual information (e.g. the voter was initially determined not to be registered to vote at the address given, but a subsequent review determines the voter was registered at that address), that ballot should be counted as part of a fifth category of previously - rejected absentee ballots - absentee ballots that were mistakenly rejected on or before election day.

**INSTRUCTIONS**

- To vote by absentee ballot, you must be an eligible voter, and you must reside at the legal residence address you give on this application on Election Day. It is a felony to make a false statement in an application for an absentee ballot, to apply for an absentee ballot more than once in an election with the intent to cast an illegal ballot, to show a ballot marked by a person to another person, or to violate an absentee ballot provision for the purpose of casting an illegal vote or to help anyone to cast an illegal vote.
  - Be sure to check the appropriate box indicating why you cannot go to your polling place on Election Day; these are the only reasons that entitle you to vote by absentee ballot.
  - Be sure to give your correct legal residence address as completely as possible, since this is used to verify your precinct number.
  - Be sure to sign the application.
  - Return the completed application as soon as possible to the election official from whom you received this form - either the County Treasurer-Auditor or the Municipal or School District Clerk.
- Remember:**
- You must indicate whether you are requesting ballots for the primary or general election, or both.
  - Do not submit more than one application for each election.
  - Your absentee ballots will be mailed or delivered to you as soon as they are available.
  - Ballots received by election officials after Election Day will not be counted. Your ballot must be received by mail (not just postmarked) at the polling place by Election Day.

## AFFIDAVIT/DECLARATION OF JORDAN TRAUB

1. My name is Jordan Traub. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 16938 Jonquil Trl., Lakeville, MN 55044 in Dakota County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.

5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had it witnessed, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December \_\_, 2008.

Sworn and subscribed to before me

**INSTRUCTIONS**

- To vote by absentee ballot, you must be an eligible voter, and you must reside at the legal residence address you give on this application on Election Day. It is a felony to make a false statement in an application for an absentee ballot, to apply for an absentee ballot more than once in an election with the intent to cast an illegal ballot, to show a ballot marked by a person to another person, or to violate an absentee ballot provision for the purpose of casting an illegal vote or to help anyone to cast an illegal vote.
  - Be sure to check the appropriate box indicating why you cannot go to your polling place on Election Day; these are the only reasons that entitle you to vote by absentee ballot.
  - Be sure to give your correct legal residence address as completely as possible, since this is used to verify your precinct number.
  - Be sure to sign the application.
  - Return the completed application as soon as possible to the election official from whom you received this form - either the County Property Taxation & Records Department or the Municipal or School District Clerk.
- Remember:**
- You must indicate whether you are requesting ballots for the primary or general election, or both.
  - Do not submit more than one application for each election.
  - Your absentee ballots will be mailed or delivered to you as soon as they are available.
  - Ballots received by election officials after Election Day will not be counted. Your ballot must be received by mail (not just postmarked) at the polling place by Election Day.

## **AFFIDAVIT/DECLARATION OF MARY WASHINGTON**

1. My name is Mary Washington. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 1628 Raindrop Dr., Eagan, MN 55121 in Dakota County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election. I voted by absentee ballot because I was a poll watcher in the November 2008 general.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.
5. I received an absentee ballot and marked the ballot in the manner proscribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had Marion Snargrass, whom I know to be a registered Minnesota voter registered to vote at an address in Minneapolis, sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.
6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 18, 2008.

Sworn and subscribed to before me  
on this \_\_\_ day of December, 2008.

**Reason Code****Reason Code Description**

- 1 The ballot was rejected because the voter's name and address on the return envelope are not the same as the information provided on the absentee ballot application.
- 2 The voter's signature on the return envelope is not the genuine signature of the individual who made the application for the ballot and the signature is required under applicable Minnesota law, or the certificate has not been completed as prescribed in the directions for casting an absentee ballot.
- 3 The voter was not registered and eligible to vote in the precinct or has not included a properly completed voter registration application. Elections personnel shall use available voter rosters to determine whether the voter was registered.
- 4 The voter had already voted at the election, either in person or by absentee ballot. Elections personnel shall use available voter rosters to determine whether the voter had already voted.
- 5 If the rejected absentee ballot does not meet one of these four reasons, or if the reason used to reject the absentee ballot is not based on factual information (e.g. the voter was initially determined not to be registered to vote at the address given, but a subsequent review determines the voter was registered at that address), that ballot should be counted as part of a fifth category of previously - rejected absentee ballots - absentee ballots that were mistakenly rejected on or before election day.

**AFFIDAVIT/DECLARATION OF BRUCE DEANE BEHRENS**

1. My name is Bruce Deane Behrens. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I understand that my ballot was not counted and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony.

8DB  
11/16/08  
3. I have been registered to vote for several years. At the time I registered to vote, I resided at 34 <sup>Millcrest Pl</sup> Millercrest Ct. SW, Pine Island, Minnesota, in Pine Island W1 precinct (Precinct No. 0100), in Goodhue County. I was a resident at this address when I requested, received and voted an absentee ballot in the November 2008 general election.

4. Prior to the election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address.

5. I received the absentee ballot and marked the ballot as prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope as prescribed in the enclosed directions. The eligibility certificate reflected my correct name and address, and it bore my genuine signature.

6. My girlfriend, Kimberly Lindquist, served as the witness while I voted the ballot, signed the certification and sealed the envelope. She then completed her portion of the witness certification. Kimberly is a registered voter in the State of Minnesota.

7. This ballot is the only ballot I submitted in the November 4, 2008 election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

8. I understand that my ballot was rejected because someone believed that Kimberly was not a registered voter in Minnesota. Unfortunately, no one

from the County contacted me to inform me of this issue or to request verification of my signature.

9. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on November \_\_\_\_, 2008.

## AFFIDAVIT/DECLARATION OF ADJA KUMBA KABA ANN

1. My name is Adja Kumba Kaba Ann. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 general election ballot was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which a court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony.

3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. Prior to November 4, I submitted a request to vote by absentee ballot for the November general election because I was pregnant and very close to my due date on election day. My address at the time I submitted my application for an absentee ballot and when I voted was 13647 93rd Place North, Maple Grove, MN 55369 in Hennepin County.

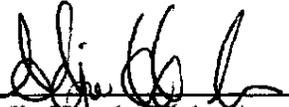

4. I received the absentee ballot and marked this ballot as prescribed in the instructions included with the absentee ballot form. In the U.S. Senate race, I voted for Al Franken. ~~In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope.~~ I signed the ballot with my genuine signature, and returned my absentee ballot to the City of Maple Grove Center. I did not submit any other ballots in the November 4, 2008 election. I did not vote in person on election day.

5. I have not been informed by any election official that there was a problem with my ballot. I am not aware of any reason for election officials to reject my absentee ballot and refuse to count my vote.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 15<sup>th</sup>, 2008.

## AFFIDAVIT/DECLARATION OF RUTH ANNE DRESSEL

1. My name is Ruth Anne Dressel. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that the "voter signed as witness too" which is incorrect, and I am hopeful that by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 10020 28th Ave No, Plymouth, MN 55441, in Hennepin County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

4. Prior to the November 2008 general election, I submitted an application for an absentee ballot. I applied under my correct name and address and used my genuine signature.

5. I received an absentee ballot and had the ballot marked in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, with the assistance of my son I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter (my son) sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address.

6. Because I am blind, my son has power of attorney for me. Therefore, on my absentee ballot I directed my son to sign my name for me. I consider that signature to be my genuine signature. Stated another way, my son, acting under power of attorney, signed my name at my direction on the voter section of the

envelope for the absentee ballot. My son, acting as my witness, signed his own name on the witness section of the absentee ballot envelope.

7. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot. I want my vote to count, and do not believe I should be disenfranchised because of my medical condition.

8. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 10, 2008.  
Sworn and subscribed to before me  
on this 10 day of December, 2008.

**AFFIDAVIT/DECLARATION OF RAYMOND DRESSEL**

1. My name is Raymond Dressel. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that the November 2008 absentee ballot of my mother, Ruth Anne Dressel, which I witnessed, was improperly rejected because someone determined that the "voter signed as witness too." I am hopeful that, by providing this affidavit, her ballot can be verified and counted.
2. I helped my mother complete her absentee ballot for the November general election. At the time she requested an absentee ballot and voted her permanent residence was 10020 28th Ave No., Plymouth, MN 55441, in Hennepin County.
3. My mother received an absentee ballot and I helped her mark the ballot in the manner prescribed by the directions sent along with the ballot. I helped my mother complete the eligibility certificate printed on the back of the envelope and I signed the envelope as the witness, all as explained in directions my mother received with the absentee ballot.
4. My mother is blind. To accommodate her condition, my mother directs me to sign her name on her behalf. I have a power of attorney for my mother, which is attached to this affidavit as exhibit 1. My mother directed me to sign her ballot envelope on her behalf. My mother considers her signature performed by me at her direction to be her genuine signature.
5. I believe that my mother's vote should be counted, and that she should not be disenfranchised because of her medical condition.
6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 10, 2008.  
Sworn and subscribed to before me  
on this 10 day of December, 2008.

SECRETARY OF STATE RECORDS AUTHENTICATION  
DECLARATION

I, Amber Schmugge, declare as follows:

I am over 18 years of age, competent to testify, and make this Declaration based upon personal knowledge of the facts set forth below.

The document attached to this declaration is a true copy of a Minnesota Secretary of State Voter Lookup form regarding Ruth Anne Dressel that I obtained from the official Minnesota Secretary of State Voter File FTP Server on December 3, 2008.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Executed this 9<sup>th</sup> day of December 2008, at St. Paul, Minnesota.

### POWER OF ATTORNEY

**NOTICE: THE POWERS GRANTED BY THIS DOCUMENT ARE BROAD AND SWEEPING. THEY ARE DEFINED IN SECTION 523.24. IF YOU HAVE ANY QUESTIONS ABOUT THESE POWERS, OBTAIN COMPETENT ADVICE. THE USE OF ANY OTHER OR DIFFERENT FORM OR POWER OF ATTORNEY DESIRED BY THE PARTIES IS ALSO PERMITTED. THIS POWER OF ATTORNEY MAY BE REVOKED BY YOU IF YOU LATER WISH TO DO SO. THIS POWER OF ATTORNEY AUTHORIZES THE ATTORNEY-IN-FACT TO ACT FOR YOU BUT DOES NOT REQUIRE THE ATTORNEY-IN-FACT TO ACT FOR YOU.**

Know all by these presents, which are intended to constitute a **STATUTORY SHORT FORM POWER OF ATTORNEY** pursuant to Minnesota Statutes, section 523.23;

That I, Ruth A. Dressel of 10020 28th Ave. N, Plymouth, MN 55441

(Insert name and address of the principal) do hereby appoint Raymond C. Dressel of 10020 28th Ave. N, Plymouth, MN 55441

(Insert name and address of the attorney-in-fact, or each attorney-in-fact, if more than one is designated) my attorney(s)-in-fact to act (jointly):

(NOTE: If more than one attorney-in-fact is designated and the principal wishes each attorney-in-fact alone to be able to exercise the power conferred, delete the word "jointly". Failure to delete the word "jointly" will require the attorneys-in-fact to act unanimously).

First: in my name, place and stead in any way which I myself could do, if I were personally present, with respect to the following matters as each of them is defined in section 523.24:

(To grant to the attorney-in-fact any of the following powers, make a check or "x" in the line in front of each power being granted. To delete any of the following powers, do not make a check or "x" in the line in front of the power. You may, but need not cross out each power being deleted with a line drawn through it (or in similar fashion). Failure to make a check or "x" in the line in front of the power will have the effect of deleting the power unless the line in front of the power of (o) is checked or x-ed).

## **AFFIDAVIT/DECLARATION OF DENNIS ERICKSON**

1. My name is Dennis Erickson. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 general election ballot was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which a court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony.

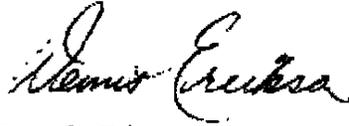

3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. Prior to November 4, I submitted a request to vote by absentee ballot for the November general election. My address at the time I submitted my application for an absentee ballot and when I voted was 12916 Sunset Trail, North, Plymouth, MN 55441 in Hennepin County.

4. I received the absentee ballot and marked this ballot as prescribed in the instructions included with the absentee ballot form. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope. I signed the ballot with my genuine signature, and returned my absentee ballot. I did not submit any other ballots in the November 4, 2008 election. I did not vote in person on election day.

5. I have not been informed by any election official that there was a problem with my ballot. I am not aware of any reason for election officials to reject my absentee ballot and refuse to count my vote.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 17, 2008.

## AFFIDAVIT/DECLARATION OF DONALD GLEASON

1. My name is Donald Gleason, I am over 18 years of age, and make this declaration based on personal knowledge. On November 4, 2008 I was citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November general election absentee ballot was improperly rejected, and I am hopeful that, by providing this affidavit, his ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which a court order revoked my rights to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify us from voting.
3. I was registered to vote for the November 2008 general election. At the time we registered to vote for that election, I resided at 7200 York Ave. S, Apt. 216, Edina, MN 55435, in Hennepin County. That address was my permanent address when I requested, received and voted an absentee ballot in the November 2008 general election. I am currently in a nursing home.
4. Prior to the November 2008 general election, my wife returned a card we received in the mail so that I could vote absentee. My wife recalls that she included my correct name and address. I directed her to sign my name on my behalf because I have difficulty signing my name at times. I requested the application because of my disability. When my wife signs my name at my direction on my behalf, I consider that to be my genuine signature.
5. I received the absentee ballot and completed the ballot with my vote selections in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. The eligibility certificate reflected my correct name and address, and I signed with my genuine signature. I consider both my signature unaided and my signature made by my wife on my behalf and at my direction to be my genuine signatures.
6. This ballot is the only ballot that I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot. I am not aware of any reason for election officials to refuse to count my vote.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

## AFFIDAVIT/DECLARATION OF NANCY GLEASON

1. My name is Nancy Gleason, I am over 18 years of age, and make this declaration based on personal knowledge. On November 4, 2008 I was citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that the general election absentee ballot of my husband, Donald Gleason, was improperly rejected, and I am hopeful that, by providing this affidavit, his ballot can be verified and counted.

2. As of November 4, 2008, both my husband and I were fully entitled to vote. We were not under court-ordered guardianship in which the court order revoked our rights to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify us from voting.

3. My husband and I were registered to vote for the November 2008 general election. At the time we registered to vote for that election, we resided at 7200 York Ave, Edina, MN 55435, in Hennepin County. We were residents at that address when my husband requested, received and voted an absentee ballot in the November 2008 general election. My husband is currently in a nursing home. On the card that I returned requesting his absentee ballot, he directed me to sign his name on his behalf. When he directs me to sign at his behalf, he considers that to be his genuine signature.

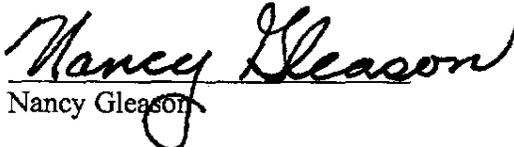

4. My husband completed his ballot and the eligibility certificate and unaided, signed his name. My husband considers both his signature unaided and his signature by me at his direction to be his genuine signatures. We then returned the ballot and envelope to the city.

5. After submitting my husband's ballot, I was notified on November 3, 2008 that there was a problem with my husband's signature on his absentee ballot. There was not enough time for my husband to complete another ballot.

6. This ballot is the only ballot that my husband submitted in the November 2008 general election. He did not vote in person on November 4, 2008 or submit any other absentee ballot. I am not aware of any reason for election officials to refuse to count his vote.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

**AFFIDAVIT/DECLARATION OF HANNAH GORSKI**

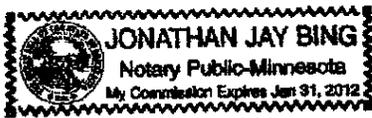

1. My name is Hannah Gorski. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 8139 4th Ave S, Bloomington, MN 55420 in Hennepin County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.
5. I received an absentee ballot and marked the ballot in the manner proscribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.
6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

## AFFIDAVIT/DECLARATION OF MICHELE LARSON

*MJL*  
1. My name is Michelle Larson. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 3057 Zarthan Ave S, St. Louis Park, MN 55416 in Hennepin County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.

5. I received an absentee ballot and marked the ballot in the manner proscribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December \_\_\_\_, 2008.

Sworn and subscribed to before me on this 15 day of December, 2008.

Signature: Michele J. Larson

**AFFIDAVIT/DECLARATION OF MICHAEL MISTEREK**

1. My name is Michael Misterek. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 general election ballot was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

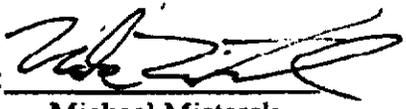

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony.

3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. Sometime prior to 2006, I registered to vote while living at 2884 Irving Avenue South, Minneapolis, MN. This address is in precinct 10-11. I subsequently moved next door, to 2880 Irving Avenue, South, Minneapolis, MN. This address is also in precinct 10-11.

4. Because I had plans to be out of town for the November 4 general election, in early October I submitted a request to vote by absentee ballot and thereafter received an absentee ballot in the mail. I completed my absentee ballot and had it witnessed in the manner prescribed in instructions included with the absentee ballot. In addition, I completed a new voter registration application to reflect the fact that I had moved next door since last registering to vote. To the best of my recollection, I included the voter registration application in the envelope with my ballot, which I understood to be the appropriate way to return my voter registration application. This is the only ballot I submitted in the November 4, 2008 election. In the U.S. Senate race, I voted for Al Franken.

5. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on November \_\_, 2008.  
Sworn and subscribed to before me

**AFFIDAVIT/DECLARATION OF HEATHER MODRACK**

1. My name is Heather Modrack. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 4950 Comstock Lane N., Plymouth, MN in Hennepin County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used my genuine signature.
5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had it properly witnessed, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address, and I signed my application. I requested an absentee ballot because I knew I would be in New York during the general election.

4. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.

5. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot. I have not been advised by any election official that there is a problem with my absentee ballot.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 06, 2008.

## **AFFIDAVIT/DECLARATION OF GORDON NYGREN**

1. My name is Gordon Nygren. On November 4, 2008, I was 83 years old, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 321 Spring Valley Drive, Bloomington, MN 55420. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

4. Prior to the November 2008 general election, I submitted an application for an absentee ballot. I applied under my correct name and address. Because I have trouble signing documents, I usually ask my wife to sign documents for me, which I use as my general signature. My recollection is that she signed the ballot application for me based on my direction to do so.

5. I received an absentee ballot and, with the help of my wife, marked the ballot in the manner proscribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, and again with the help of my wife, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter (my wife) sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address. I had my wife sign my ballot for me as my genuine signature, which is what I do for important documents. She signed the absentee ballot at my direction.

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 25, 2008.

Sworn and subscribed to before me on this \_\_\_ day of November, 2008.

## AFFIDAVIT/DECLARATION OF NICKOLAS RAPACZ

1. My name is Nickolas Rapacz. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in ~~Minnesota for at least thirty days immediately preceding the general election held~~ November 4, 2008. I am providing this affidavit because I believe that my November 2008 general election ballot was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony.

3. I was first registered to vote in the State of Minnesota in 2006 at the address 2324 Bryant Ave. S, Minneapolis, Minnesota. I requested an absentee ballot by mail and indicated on my application that my legal residence was 5600 12th Ave., South, also in Minneapolis, Minnesota. I completed that application and signed it with my genuine signature.

4. In response to my absentee ballot application, Hennepin County mailed to me an absentee ballot and envelope. The absentee ballot envelope had a sticker on it with my name, my address at 5600 12th Ave. in Minneapolis, and a bar code. The election officials did not indicate in any way that I was not properly registered at this address. I reasonably assumed that I was properly registered because I received receipt of an absentee ballot and envelope in response to my application (which listed my new address) and Hennepin County never told me otherwise. I properly completed and timely returned my absentee ballot and envelope to Hennepin County. My close friend (Minnesota Resident) witnessed my vote and completed the appropriate section.

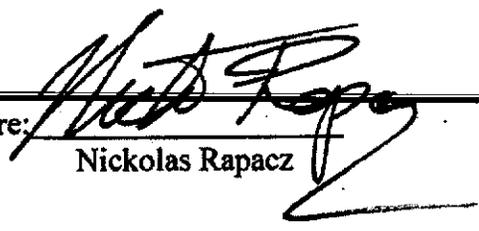

5. This is the only ballot I submitted in the November 4, 2008 election. In the U.S. Senate race, I voted for Al Franken.

6. I am not aware of any reason for election officials to reject my absentee ballot and refuse to count my vote.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

## AFFIDAVIT/DECLARATION OF KAREN ROBITZ

---

1. ~~My name is Karen Robitz. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.~~

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 8507 Virginia Circle N., St. Louis Park, MN in Hennepin County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.

5. I received an absentee ballot and marked the ballot in the manner proscribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

## AFFIDAVIT/DECLARATION OF PAUL SCHNECK

1. My name is Paul Schneck. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my daughter Lauren Schneck's November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, her ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I am a registered voter and was registered to vote for the November 2008 general election. My registered address is and was 122 Burntside Drive, Golden Valley, MN 55422, in Hennepin County. My daughter Lauren is also registered to vote in Minnesota at that address.

4. I understand that my daughter's absentee ballot was rejected because election officials determined that the signature on her absentee ballot envelope was different than the signature on her absentee ballot application. My daughter is currently traveling in remote areas of New Zealand and is not able to review and execute an affidavit or other such paper. I have communicated with my daughter about her rejected ballot. She is disappointed that her vote is in jeopardy. In our communications, she confirmed for me that she in fact signed both the absentee ballot application and absentee ballot envelope and that both signatures, however distinct, are genuine. She also confirmed for me that she did not submit any other ballots in the November 2008 general election.

7. This is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Dated: December 17, 2008.

**AFFIDAVIT/DECLARATION OF JOHN SULLIVAN-FEDOCK**

1. My name is John Sullivan-Fedock. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 11900 Crawford Rd West, Minnetonka, MN, in Hennepin County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used my genuine signature.
5. I received an absentee ballot and marked the ballot in the manner proscribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.
6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 18, 2008.

3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. Prior to November 4, I submitted a request to vote by absentee ballot for the November general election. My address at the time I submitted my application for an absentee ballot and when I voted was 3423 Taylor Street, NE, Apartment 1, Minneapolis, MN 55418, in Hennepin County.

4. I received the absentee ballot and marked this ballot as prescribed in the instructions included with the absentee ballot form. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope. I signed the ballot with my genuine signature, and returned my absentee ballot. I did not submit any other ballots in the November 4, 2008 election. I did not vote in person on election day.

~~I was out of town on election day.~~ *I thought I would be possibly out of town & was outside precinct on election day until after polls closed. Home after 8:00pm*

5. I have not been informed by any election official that there was a problem with my ballot. I am not aware of any reason for election officials to reject my absentee ballot and refuse to count my vote.

I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, I resided at 8008 Bass Lake Road, Apartment No. 123, New Hope, MN, 55428. I was a resident at that address when I requested, received and voted an absentee ballot for the November 2008 general election.

4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address (8008 Bass Lake Road, Apartment No. 123, New Hope, MN, 55428) and signed the application.

5. I received the absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature. I did not receive any notification before the election that my ballot had been rejected.

6. I understand that an election official rejected my ballot because my voter registration information indicated that I lived at the same address that I listed on my absentee ballot application and absentee ballot, but in a different apartment

number. In January 2007 I switched apartment units from number 712 to number 123. Both units are in the same apartment complex and have the same street address. It is my understanding that both apartment numbers are within the same precinct.

7. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

8. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 4, 2008.

Hi Valerie,  
I've left a message with you regarding this data request. Please note that it is relatively urgent and if you could fax or e-mail a copy of the requested documents to me by close of business today it would be much appreciated. I have CCed Chris Stafford with Fredrikson and Byron on this e-mail; he is our council in this matter and can answer any questions you may have regarding the legal jurisdiction for the request.  
Thanks!  
Will

DECLARATION

I, Amber Schmugge, declare as follows:

I am over 18 years of age, competent to testify, and make this Declaration based upon personal knowledge of the facts set forth below.

The document attached to this declaration is a true copy of a Minnesota Secretary of State Voter Lookup form regarding Priscilla Ann Wells that I obtained from the official Minnesota Secretary of State Voter File FTP Server on December 2, 2008.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Executed this 10<sup>th</sup> day of December 2008, at St. Paul, Minnesota.

## **AFFIDAVIT/DECLARATION OF MOLLY JO RITTER**

1. My name is Molly Jo Ritter. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 430 Elizabeth Avenue, Grand Rapids, MN 55744. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address, and I signed my application.
5. I received an absentee ballot and marked the ballot in the manner proscribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.
6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 20, 2008.  
Sworn and subscribed to before me  
on this \_\_\_ day of November, 2008.

**AFFIDAVIT/DECLARATION OF HENRY ROY**

1. My name is Henry Roy and I am over 18 years of age. On November 4, 2008 I was citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, I resided at 619 9th Ave NW, Grand Rapids, MN in Itasca County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

4. Prior to November 4, 2008, I went to the local courthouse to apply to vote absentee. I filled out my absentee application, received my ballot and completed it at the courthouse. The clerk did not indicate that there was a problem with my application. I marked and completed in the manner prescribed by the instructions provided with the ballot, including completing the certification information and I had it witnessed. I returned it to the clerk when I had finished voting my ballot. Again, the clerk did not indicate there was a problem with my absentee ballot. In the U.S. Senate race, I voted for Al Franken.

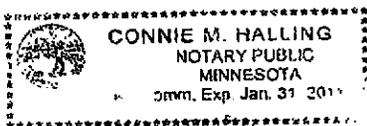

5. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot. I am not aware of any reason for election officials to refuse to count my vote.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 23, 2008.  
Sworn and subscribed to before me

1. My name is Zachary Kolsang. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008.

2. As of November 4, 2008, I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony, or had the right to vote because, if I have been convicted of a felony, my felony sentence has expired (been completed) or I have been discharged from my sentence.

3. I reside at 5084 Co Rd 9NE Willmar, MN 56201, in precinct Dovre Twp, Kandiyohi Co (precinct code 0090).

4. I registered at the above-designated precinct:  
 by submitting a voter registration application prior to the twentieth day preceding the election.  
 by enclosing a completed registration application with my submission of an absentee ballot.

5. Prior to the election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address.

6. I received the absentee ballot and marked the ballot as prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope as prescribed in the enclosed directions. The eligibility certificate reflects my correct name and address, and bears my genuine signature.

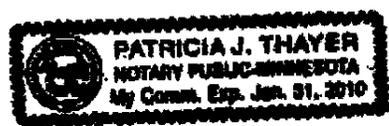

7. The above-referenced ballot is the only ballot I submitted in the November 4, 2008 election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

**AFFIDAVIT/DECLARATION OF DOLORES HOYLES WINDINGSTAD**

1. My name is Dolores Hoyles Windingstad and I am 81 years old. On November 4, 2008 I was citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, I resided at 546 15th Street, Dawson, MN, in Lac qui Parle County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

4. Around October 8, 2008, I went to our local county auditor's office to vote absentee for the November general election. I spoke to a clerk in the auditor's office and requested that the clerk provide me with an absentee ballot. The clerk looked me up in its system to confirm that I was a registered voter, and then handed me an absentee ballot. I marked and completed in the manner prescribed by the instructions provided with the ballot, including completing the certification information and I had it witnessed. I returned the absentee ballot that day in the auditor's office. In the U.S. Senate race, I voted for Al Franken.

5. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot. I am not aware of any reason for election officials to refuse to count my vote.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 26, 2008.

TOTAL OF 9 BALLOTS REJECTED FOR LAC QUI PARLE COUNTY  
TOTAL OF 383 BALLOTS ACCEPTED FOR LAC QUI PARLE COUNTY

**AFFIDAVIT/DECLARATION OF ELIA S. NELSON**

1. My name is <sup>Eila</sup> ~~Elia~~ S. Nelson. On November 4, 2008, I was 83 years old, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 1702 10th Avenue, Two Harbors, MN 55616. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election. I have been a regular voter for numerous years.

4. Prior to the November 2008 general election, I went to our local court house to request and vote an absentee ballot. While at the court house, I received an absentee ballot, marked the ballot and completed the certification as required to have my vote counted. Because I have poor vision, a friend assisted me to make sure I completed the ballot correctly. In the U.S. Senate race, I voted for Al Franken. The information on the ballot included my correct name and address, and it contained my genuine signature.

5. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot. I am not aware of any reason why my vote should not count.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on November \_\_\_\_, 2008.

**AFFIDAVIT/DECLARATION OF ANGELA NORLEN**

1. My name is Angela Norlen. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of ~~November 4, 2008~~, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 1530 6th St, Two Harbors, MN 55614, in Lake County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.
5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had it properly witnessed, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

**AFFIDAVIT/DECLARATION OF ROBERT GIRTZ**

1. My name is Robert Girtz. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 general election ballot was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which a court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony.

3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. Prior to November 4, I submitted a request to vote by absentee ballot for the November general election. My address at the time I submitted my application for an absentee ballot and when I voted was 17894 Riverwood Drive, Little Falls, MN in Morrison County.

4. I received the absentee ballot and marked this ballot as prescribed in the instructions included with the absentee ballot form. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope. I signed the ballot with my genuine signature, and returned my absentee ballot by mail.

5. I did not submit any other ballots in the November 4, 2008 election. I did not vote in person on election day. I am not aware of any reason for election officials to reject my absentee ballot and refuse to count my vote.

6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

**AFFIDAVIT/DECLARATION OF CLARICE A. BREDESON**

s. cb  
1. My name is Clarice A. Bredeson. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote, I resided at 434 SE 2nd Ave, Glenwood, MN 56334, in Pope County. In March 2008, I moved to 457 SE 8th Ave, Glenwood, MN 56334. I was a resident at that address when I requested, received and voted an absentee ballot for the November 2008 general election. I contacted the post office to have my mail forwarded to my new address. I understand that both my current address and my former address are in the same precinct, Glenwood P-1.

4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address (457 SE 8th Ave, Glenwood, MN 56334) and signed the application.

5. I received the absentee ballot and marked the ballot in the manner indicated by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature. I did not receive any notification before the election that my ballot had been rejected.

6. I understand that an election official rejected my ballot because my voter registration information indicated that I lived at a different address than that listed on my absentee ballot application and absentee ballot.

7. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

8. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 10, 2008.

**AFFIDAVIT/DECLARATION OF DONNA MAE MORTENSON**

1. My name is Donna Mae Mortenson. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote, I resided at 705 5th Street SE, Apartment 53, Glenwood, MN, 56334.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied for the absentee ballot under my correct name and my correct address, which was 705 5th Street SE, Apartment 34, Glenwood, MN, 56334. This is the same address that I used when I registered to vote, except that I had changed apartment units within the same complex, moving from unit number 53 to 34. I changed apartment units because I needed to move to a handicap accessible apartment. I signed the application and returned it in a timely manner.
5. I received the absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address (the same address that I used when I applied for an absentee ballot), and it contained my genuine signature. I did not receive any notification before the election that my ballot had been rejected.

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 10, 2008.

**AFFIDAVIT/DECLARATION OF MURIEL ELAINE ANDERSON**

1. My name is Muriel Elaine Anderson. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 general election ballot was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. Prior to November 4, I submitted a request to vote by absentee ballot for the November general election, and thereafter received an absentee ballot to vote.
4. My permanent address at the time I submitted my application for an absentee ballot and when I voted was 946 Conway Street, MN. I moved into that address in March 2008. I previously lived at 986 Euclid Street, St. Paul, MN 55106, which is where I lived when I registered to vote. I understand that my current residence is in the same precinct as where I lived when I registered to vote. When I moved to my current address, I submitted a change of address/forwarding address form with the U.S. Post Office.
5. After receiving my absentee ballot in the mail, I completed my absentee ballot and had it witnessed in the manner prescribed in instructions included with the absentee ballot. My witness is registered to vote in the same precinct that I am. This is the only ballot I submitted in the November 4, 2008 election. In the U.S. Senate race, I voted for Al Franken.
6. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

## AFFIDAVIT/DECLARATION OF URSELA COWAN

1. My name is Ursela Cowan. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 1275 Belmont Lane West, Roseville, MN 55113, in Ramsey County. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.
5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. On the outside of the absentee ballot envelope, there was a sticker containing a bar code, my name and address and other numbers and information. Because this sticker was placed on top of the section entitled "To Be Completed By Voter" and covered up almost all of that section, I did not fill in any additional information and did not sign the ballot envelope. My vote was duly witnessed and the section entitled "To Be Completed By Witness" was completed. I now understand that I was required to sign the envelope to certify that I was in fact eligible to vote by absentee ballot. However, the certification was almost completely covered by the sticker. Had I been able to read the certification, I would have signed.

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 17, 2008.

## AFFIDAVIT/DECLARATION OF JOSEPHINE GARCIA

1. My name is Josephine Garcia, I am over 18 years of age, and make this declaration based on personal knowledge. On November 4, 2008 I was citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November general election absentee ballot was improperly rejected, and I am hopeful that, by providing this affidavit, his ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which a court order revoked my rights to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time we registered to vote for that election, I resided at 836 Hall Ave., St. Paul, MN 55107, in Ramesey County. I resided at that address when I requested, received and voted an absentee ballot in the November 2008 general election.
4. Prior to the November 2008 general election, I returned an absentee ballot application which included my correct name and address. Because I have glaucoma and rheumatoid arthritis which can make it difficult for me to physically sign my name at times, I directed my son to sign my name on my behalf. When my son signs my name at my direction on my behalf, I consider that to be my genuine signature.
5. I received the absentee ballot and completed the ballot with my vote selections in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. The eligibility certificate reflected my correct name and address, and I signed with my genuine signature. I consider both my signature unaided and my signature made by my son on my behalf and at my direction to be my genuine signatures.
6. This ballot is the only ballot that I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot. I am not aware of any reason for election officials to refuse to count my vote.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 23 2008

**AFFIDAVIT/DECLARATION OF JOHN REDMOND**

1. My name is John Redmond. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained my permanent residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 2090 Stanford Avenue, St. Paul, MN in Ramsey County. I was a permanent resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

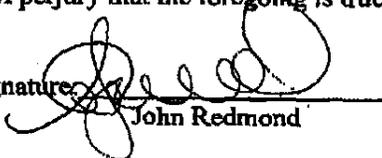

4. Prior to the November 2008 general election, I requested an absentee ballot because I had plans to be out of the country for the November 4 election. I applied under my correct name and address and I signed the application with my genuine signature.

5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and otherwise completed the form in the manner explained in the directions I received with the absentee ballot. I signed the absentee ballot return envelope with my genuine signature and mailed it in a timely manner.

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 11, 2008.  
Sworn and subscribed to before me

## **AFFIDAVIT/DECLARATION OF JOHN ROBERTUS**

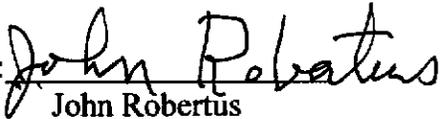

1. My name is John Robertus. On November 4, 2008, I was 85 years old, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 2700 Rice Creek Road, No 114, New Brighton, MN 55112. I was a resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election. I have been a regular voter for several years.
4. Prior to the November 2008 general election, I went to our local city hall and requested an absentee ballot and a new registration application. I completed the registration application and presented it to the city clerk, along with a statement from the assisted living residence where I live, which verified my current address. I used this form of verification of my residence because I no longer drive and therefore have no current driver's license. I saw the clerk enclosed my completed voter registration application in the absentee ballot, which she then gave to me to complete.
5. After receiving the absentee ballot from the clerk, I remained at city hall, marked the ballot and completed the other requirements in the manner prescribed by the directions included with the absentee ballot. In the U.S. Senate race, I voted for Al Franken. The information on the ballot included my correct name and address (which was contained on my new voter registration application), and it contained my genuine signature. After completing the ballot, I sealed it in the same envelope that the clerk gave to me and which contained my new voter registration application. I then returned the completed envelope to a ballot box in the office.

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. I understand that election officials have indicated that they rejected my absentee ballot because there was no driver's license number on the outer envelope containing my ballot. I do not have a driver's license. Also, I was never told, either while at city hall or later, that my absentee ballot had any problem.

8. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 26, 2008.  
Sworn and subscribed to before me  
on this \_\_\_ day of November, 2008.

SECRETARY OF STATE RECORDS AUTHENTICATION  
DECLARATION

I, Amber Schmugge, declare as follows:

I am over 18 years of age, competent to testify, and make this Declaration based upon personal knowledge of the facts set forth below.

The document attached to this declaration is a true copy of a Minnesota Secretary of State Voter Lookup form regarding John A. Robertus that I obtained from the official Minnesota Secretary of State Voter File FTP Server on December 2, 2008.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Executed this 10<sup>th</sup> day of December 2008, at St. Paul, Minnesota.

## AFFIDAVIT/DECLARATION OF WALTER THOMPSON

1. My name is Walter Thompson, I am over 18 years of age, and make this declaration based on personal knowledge. On November 4, 2008 I was citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November general election absentee ballot was improperly rejected, and I am hopeful that, by providing this affidavit, his ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which a court order revoked my rights to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify us from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, I resided at 240 Milford St., St. Paul, MN 55117, in Ramsey County. I resided at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

4. Prior to the November 2008 general election, I submitted an absentee ballot application for both the primary and general elections. The application included my correct name and address. I requested the application because of my disability.

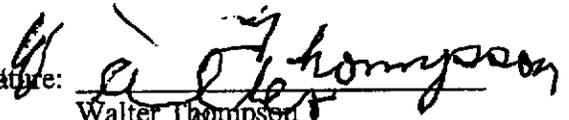

5. I am blind and was ill, which makes it difficult to sign documents. My wife, Loretta Thompson, has power of attorney to sign documents for me. My wife signed my absentee ballot application for me and with my authorization.

6. I received the absentee ballot and had my wife mark the ballot with my vote selections in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, on my behalf my wife completed the eligibility certificate printed on the back of the envelope as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address. Because we believed it was important that I attempt to sign the ballot envelope, my wife guided my hand as I signed. I consider this to be my genuine signature.

7. This ballot is the only ballot that I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot. I am not aware of any reason for election officials to refuse to count his vote.

8. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

On November 4, 2008 I was citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that the general election absentee ballot of my husband (Walter Thompson) was improperly rejected, and I am hopeful that, by providing this affidavit, his ballot can be verified and counted.

2. My husband is has a disability (blind). I have had power of attorney for him during the last several years.

3. As of November 4, 2008, both my husband and I were fully entitled to vote. We were not under court-ordered guardianship in which the court order revoked our rights to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify us from voting.

At the time we registered to vote for that election, we resided at 240 Milford St. St. Paul, MN 55117, in Ramsey County. We were residents at that address when I requested an absentee ballot in the November 2008 general election on his behalf. I filled out the absentee ballot application on his behalf and signed on his behalf as I am accustomed and allowed to do as his power of attorney.

5. My husband received the absentee ballot and asked me to mark the ballot with his vote selections in the manner prescribed by the directions sent to me with the ballot. In addition to marking the ballot, I asked my wife to complete the eligibility certificate printed on the back of the envelope as explained in directions with the absentee ballot. Because we believed it was important that my husband attempt to sign the ballot envelope, I guided his hand as he signed. I then returned the ballot and envelope to the county.

## AFFIDAVIT/DECLARATION OF ANNA JIN JORGENSEN

1. My name is Anna Jin Jorgensen. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. I had registered to vote in Rice County in August 2007 when I renewed my driver's license. At the time I registered to vote for that election, my permanent residence was 619 4th Avenue, South, Faribault, MN 55021 in Rice County.

4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.

5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. On the outside of the absentee ballot envelope, there was a sticker containing a bar code, my name and address and other numbers and information. This sticker was placed on top of the section entitled "To Be Completed By Voter" and covered up almost all of that section. Accordingly, I completed the lower section ("voucher") with my registered address and signed my genuine signature in that section. A notary public witnessed and notarized my vote. I now understand that my ballot was rejected for a lack of a signature. However, I did sign the absentee ballot envelope with my genuine signature, just as I signed my absentee ballot application with my genuine signature.

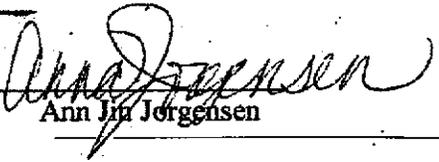

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 19, 2008.

Sworn and subscribed to before me  
on this \_\_\_ day of December, 2008.

### **AFFIDAVIT/DECLARATION OF LINDSAY ERIN THIES**

- 1. My name is Lindsay Erin Thies. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.**
  
- 2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.**
  
- 3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 955 Brae Burn Place, Owatonna, MN 55060 in Steele County.**
  
- 4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.**
  
- 5. I received an absentee ballot and marked the ballot in the manner proscribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.**
  
- 6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.**
  
- 7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.**

Executed on December 22, 2008.

**AFFIDAVIT/DECLARATION OF KATIE KRAFTHEFER**

1. My name is Katie Krafthefer. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 general election ballot was improperly rejected, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony.
3. I was registered to vote in the State of Minnesota for the November 4, 2008 general election. When I requested an absentee ballot, and voted my absentee ballot, my address was 2012 3rd St N, Stillwater, MN 55082 in Washington County.
4. Prior to November 4, 2008, I went to a government office in Stillwater to submit an absentee ballot application (reflecting my new address). The clerk provided me with an absentee ballot that had affixed to it a sticker reflecting my new address. The clerk did not give me a new registration card. The clerk confirmed I was registered. I marked the ballot and completed the certification section as prescribed by the directions included with the ballot.
5. This is the only ballot I submitted in the November 4, 2008 election. In the U.S. Senate race, I voted for Al Franken.
6. I am not aware of any reason for election officials to reject my absentee ballot and refuse to count my vote.
7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 17, 2008.

Sworn and subscribed to before me Signature:  
on this 17 day of December, 2008. Katie Krafthefer

1. My name is Ryan Stoa. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my absentee ballot did not contain my genuine signature, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.

2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.

3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 2199 Clinton Drive, Winona, MN 55987. I was a permanent resident at that address when I requested, received and voted an absentee ballot in the November 2008 general election.

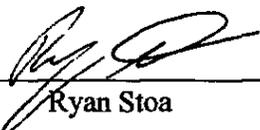

4. Prior to the November 2008 general election, I submitted an application for an absentee ballot. I applied under my correct name and address, and I signed the absentee ballot application before returning it.

5. I received an absentee ballot and marked the ballot in the manner prescribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and I signed the ballot with my genuine signature.

6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot. I did not receive any notice from the election officials indicating that my ballot had been rejected.

7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 27, 2008.

**AFFIDAVIT/DECLARATION OF LINDSAY ERIN THIES**

1. My name is Lindsay Erin Thies. On November 4, 2008, I was eighteen years of age or older, a citizen of the United States, and had maintained residence in Minnesota for at least thirty days immediately preceding the general election held November 4, 2008. I am providing this affidavit because I believe that my November 2008 absentee ballot for that election was improperly rejected because someone determined that my signature on my absentee ballot did not match the signature on my voter registration card or absentee ballot application, and I am hopeful that, by providing this affidavit, my ballot can be verified and counted.
2. As of November 4, 2008, I was fully entitled to vote. I was not under court-ordered guardianship in which the court order revoked my right to vote; had not been found by a court to be legally incompetent to vote; and had not been convicted of treason or any other felony that might disqualify me from voting.
3. I was registered to vote for the November 2008 general election. At the time I registered to vote for that election, my permanent residence was 955 Brae Burn Place, Owatonna, MN 55060 in Steele County.
4. Prior to the November 2008 general election, I signed and submitted an application for an absentee ballot. I applied under my correct name and address and used by genuine signature.
5. I received an absentee ballot and marked the ballot in the manner proscribed by the directions sent to me with the ballot. In the U.S. Senate race, I voted for Al Franken. In addition to marking the ballot, I completed the eligibility certificate printed on the back of the envelope and had a registered Minnesota voter sign the envelope as a witness, all as explained in directions I received with the absentee ballot. The eligibility certificate reflected my correct name and address, and it contained my genuine signature.
6. This ballot is the only ballot I submitted in the November 2008 general election. I did not vote in person on November 4, 2008 or submit any other absentee ballot.
7. If notarized below, this is my Affidavit. If not notarized, it is my declaration under 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 22, 2008.

Sworn and subscribed to before me  
on this 22 day of December, 2008.
