

INFORMATION FOR PROVIDERS

Financial Early Neutral Evaluation provider roster

At this time, the 4th District is not making additions to the FENE roster. Unless we feel a need to do so earlier, we anticipate opening the roster for additional providers in the fall of 2015. An application and more information about the selection process will be posted on the 4th District Family Court website at that time.

Social Early Neutral Evaluation provider roster

We do not maintain an SENE roster. The 4th District is very fortunate to have a county court services department that provides employees who conduct social early neutral evaluations. Please visit the Hennepin County Family Court Services website at www.hennepin.us to learn more information about the services provided.

SENE and FENE training

The ENE Statewide Steering Committee approves and schedules all ENE Training. The 4th District does not require additional training beyond that approved by the Committee. Visit the Minnesota State Court Administration website at www.mncourt.gov to find out more information about training or contact:
