ADMINISTRATIVE POLICY 10

Video/Audio Statements

At their meeting on May 4, 2007, the judges of the Eighth Judicial District adopted the following policy related to the use of video or audio statements in the courtroom.

The party intending to introduce a recorded statement must, at the time the rules require disclosure of the statement, advise the opposing party of the format in which the statement is preserved and must, prior to trial, timely prepare, serve and file a verbatim transcript of the recorded statement. The proponent of the recorded statement is responsible for its accurate transcription. Failure to comply with either requirement may result in exclusion of the recorded statement at trial.
