OUT-OF-HOME PLACEMENT PLAN.....27-14

| | PROCEDURE | AUTHORITY |
|-------|---|---|
| 27.01 | <p>CASE PLAN DEFINED</p> <p>"Case plan" means any plan for the delivery of services to a child and parent or legal custodian, or, when reunification is not required, the child alone, that is developed according to the requirements of Minn. Stat. § 260C.212, subd. 1. An "out-of-home placement plan" is required for children ordered into placement by the Court. A "protective services case plan" is required for a child who remains at home under the protective supervision of the social services agency. RJPP 37 specifies the requirements for both types of case plans.</p> <p><i>Comment: A case plan identifies what the issues are, what the goals are, and what specific steps the parties must take in order to accomplish the goals. The plan should identify what needs to be done, who needs to do it, and when the action needs to occur.</i></p> | Minn. Stat. § 260C.007, subd. 3 |
| 27.02 | <p>CASE PLANS REQUIRED</p> <p>When the responsible social services agency is the petitioner, the agency must file with the court and provide to the parties and foster parent a case plan for the child and the parents or legal custodians, as appropriate. The case plan is prepared according to the requirements of Minnesota law, which authorizes the agency to provide services.</p> <p><i>Comment: Although a case plan is required in every case, the absence of a plan does not warrant reversal of a CHIPS or neglect adjudication when case-planning efforts have been an ongoing concern of the county, the parent's lack of cooperation is responsible for the county's failure to construct a plan, and the evidence clearly shows that the parent would not be aided by a written placement plan.</i></p> | <p>RJPP 37.01</p> <p>In re Welfare of R.M.M. III, 316 N.W.2d 538, 542 (Minn. 1982) (upholding termination of parental rights notwithstanding county's failure to prepare placement plan).</p> |
| 27.03 | <p>TYPES OF CASE PLANS</p> <p>A. OUT-OF-HOME PLACEMENT PLAN. The most common case plan filed with the court is an Out-of-Home Placement Plan for children in foster care. DEVELOPMENTALLY DISABLED CHILD CASE PLAN. For cases where the child is developmentally disabled or has a related condition. See section 27.12 below for details.</p> <p>D. PROTECTIVE SERVICES CASE PLAN. For cases where the child remains in the care of the parent or legal custodian under the protective supervision of the responsible social services agency and is at substantial risk of child maltreatment. | 27.04 | <p>RESPONSIBILITY FOR DEVELOPING CASE PLAN</p> <p>A. CHIPS Petitions Filed by Agency. When the responsible social services agency is the petitioner, the agency is responsible for developing the case plan with appropriate family members and other service providers.</p> <p>B. PRIVATE CHIPS PETITIONS. When the agency is not the petitioner, but under RJPP 24.01 is joined as a party as a result of the filing of a private Child In Need of Protection or Services (CHIPS) petition¹, the court must determine whether there is jurisdiction over the agency to order the development of a case plan or whether there is a statutory provision that would require such development. A case plan may be required of the agency when a private CHIPS petition is filed if:</p> <ol style="list-style-type: none"> 1. The agency is joined as a party under RJPP 24.01 and given custody of or placement responsibility for the child; | <ul style="list-style-type: none"> • RJPP 37.01 • Minn. Stat. § 260C.007, subd. 3 • RJPP 24.01 (authorizes joinder of persons and agency) • RJPP 22.01(c) (agency is a participant when it is not the petitioner) |

¹ A “private CHIPS petition” is one filed by someone other than the county attorney. Private CHIPS petitions are authorized under Minn. Stat. § 260C.141, subd. 1, and RJPP 33.02, subd. 2.

| 27.05 | <p>TIMING OF OUT-OF-HOME PLACEMENT PLANS</p> <p>A. EMERGENCY REMOVAL OF CHILD. When a child ordered into out-of-home placement, an Out-of-Home Placement Plan must be filed with the court and provided to the parties and foster parents by the responsible social services agency within thirty (30) days of the filing of the petition alleging the child to be in need of protection or services.</p> <p><i>Comment: The county's delay in preparing an out-of-home placement plan is not unduly prejudicial when the delay is partly caused by the parent's lack of cooperation and prior court orders adequately inform the parent of what needs to be done before the child may return home. In re Welfare of J.J.L.B., 394 N.W.2d 858, 863 (Minn. App. 1986) (upholding termination of parental rights despite two-year delay in providing parents with placement plan), review denied (Minn. Dec. 17, 1986). In Re Welfare of Copus, 356 N.W.2d 363, 366-67 (Minn.Ct. App. 1984).</i></p> <p>B. VOLUNTARY PLACEMENT – CHILD IN PLACEMENT DUE SOLELY TO DISABILITY. An out-of-home placement plan for a child in voluntary placement due solely to the child's emotional or developmental disability (see definitions under Chapter 3.18 and 3.23) shall be filed with the report or petition asking the court to review the voluntary placement.</p> | <ul style="list-style-type: none"> • RJPP 37.02, subd. 2 • Minn. In the case of a voluntary placement not due solely to the child’s developmental disability reviewed under RJPP 44.02, subd. 2, the child’s Out-of-Home Placement Plan shall be filed and served with the petition asking the court to review the voluntary placement.</p> <p><i>Comment: The failure to provide a timely written case plan is reversible error if the parent has not been informed of, or does not understand, the conditions he or she must satisfy to achieve reunification.</i></p> | <ul style="list-style-type: none"> • RJPP 37.03, subd. 1(a) • RJPP 44.02, subd. 2 (requires petition to be filed within 90 days of voluntary placement) • Minn. | 27.06 | <p>CONTENT OF OUT-OF-HOME PLACEMENT PLAN FOR CHILD PLACED VOLUNTARILY OR INVOLUNTARILY</p> <p>A. GENERAL CONTENT. The Out-of-Home Placement Plan must contain:</p> <ol style="list-style-type: none"> 1. A description of the foster placement or residential facility which documents the agency’s determination of how the particular placement meets the child’s safety needs in the least restrictive, most family-like, setting available which is in close proximity to the home of the parent or parents or guardian of the child when the case plan goal is reunification, and how the placement is consistent with the best interests and special needs of the child²; 2. The specific reasons why the child is in placement; | <p>Minn. Stat. § 260C.212, subd. 1(c)</p> |

² Minn. Stat. 260C.212, subd. 2, contains a list of the factors the agency is to use in determining the needs of the child and what placement can best meet the child’s needs. The factors include consideration for placement with relatives, including important friends, and an individualized determination of the following:

- (1) the child’s current functioning and behaviors;
- (2) the medical, educational, and developmental needs of the child;
- (3) the child’s history and past experience;
- (4) the child’s religious and cultural needs;
- (5) the child’s connection with a community, school, and church;
- (6) the child’s interests and talents;
- (7) the child’s relationship to current caretakers, parents, siblings, and relatives; and
- (8) the reasonable preference of the child, if the court, or the child-placing agency in the case of a voluntary placement, deems the child to be of sufficient age to express preferences.
- (9)

³ This comment assumes the accuracy of the responsible social services agency’s assessment of the facts and its professional assessment of the safety issues for the child and the need for services to prevent future harm to the child and parental agreement with the agency’s assessment, or at least parental acquiescence in the family’s need for intervention. If the parent believes the agency made errors in its fact gathering or is wrong in its assessment of the risk to the child or the need for services, that is a factual issue for trial.

| | <p>27.06 Content of Out-of-Home Placement Plan (continued)</p> <ol style="list-style-type: none"> 3. The plan must also include a statement about whether the child's guardian ad litem; the child's tribe, if the child is an Indian child; and the child's foster parent or representative of the residential facility have been consulted in the plan's preparation. 4. The agency must document whether the parent or legal custodian; the child, if appropriate; the child's tribe, if the child is an Indian child; and foster parents have received a copy of the plan. <p><i>Comment: The Out-of-Home Placement Plan is the permanency roadmap for the case. Ideally, the agency, parent, child, guardian ad litem, foster parent, child's tribe, and others work together to develop a set of goals and services that will provide for the child's safety, permanency, and well-being. Another function of the Out-of-Home Placement Plan is to ensure that the child's well-being is attended to while in foster care and that the child receives needed services. It is a principle of social work that getting a person to recognize the issues the person is encountering³ can be an important component in addressing the issue. When the agency, the parent, and the child, where appropriate, can agree on what services will support the parent and provide safety and needed services to the child, the chances of the parent and the child being receptive to the services increases. This increases the likelihood of the child returning home. The documentation required regarding the parents' and child's participation in the development of the plan, as well as the requirement for consultation with others is an important early measure of the likelihood of having services in place that the parent will accept and which will achieve timely permanency for the child.</i></p> <p>Out-of-Home Placement Plan Template: A copy of the Social Services Information System (SSIS) template for the Out-of-Home Placement Plan is included in at the end of this chapter.</p> | <p>RJPP 37.02, subd. 3</p> |

The court does this either by sending written notice of approval of the plan to all parties and the county attorney, or by stating the approval at a hearing after the plan has been filed with the court and provided to the parties, foster parents, and the child, as appropriate. When the out-of-home placement plan is either ordered or approved, the plan shall be incorporated into the order by reference. The plan need not be served with the order, unless the plan has been modified.</p> <p><i><u>Comment:</u> See form on CourtNet entitled "Approval of Case Plan."</i></p> <p><i><u>Comment:</u> Following the procedures outlined in this section regarding early approval of the Out-of-Home Placement Plan fulfills the court's responsibility under Minn. Stat. § 260.012 to oversee the delivery of services and ensure reasonable or active efforts are made upon the allegation that the child is in need of protection or services.</i></p> <p>B. Voluntary Cases. When reviewing voluntary placement matters under RJPP 44, the court shall consider the appropriateness of the out-of-home placement plan in determining whether the voluntary placement is in the best interests of the child.</p> <p><i><u>Comment:</u> In contrast to an involuntary removal, neither RJPP 44 nor Minn. Stat. § 260C.141, subd. 2, regarding voluntarily placements require the court to approve the Out-of-Home Placement Plan for a child voluntarily placed out of home. However, a review of the plan is an important component in fulfilling the court's obligation of ensuring the placement is necessary, meeting the child's needs, and in the child's best interests. The Out-of-Home Placement Plan documents for the court the efforts that the agency, parents, and child, where appropriate, are making to ensure the child's safety and well-being, including that the child is receiving appropriate treatment. It also documents the visitation plan for the parents and siblings, where appropriate. All of these are components in determining whether the placement is in the child's best interests and the child's needs are being met.</i></p> | <ul style="list-style-type: none"> • RJPP 37.02, subd. 4 • Minn.
