Rule 5.02. Service; How Made

Whenever under these rules service is required or permitted to be made upon a party represented by an attorney, the service shall be made upon the attorney unless service upon the party is ordered by the court. Written admission of service by the party or the party's attorney shall be sufficient proof of service. Service upon the attorney or upon a party shall be made by delivering a copy to the attorney or party; transmitting a copy by facsimile machine to the attorney or party's office; or by mailing a copy to the attorney or party at the attorney's or party's last known address or, if no address is known, by leaving it with the court administrator. Delivery of a copy within this rule means: Handing it to the attorney or to the party; or leaving it at the attorney's or party's office with a clerk or other person in charge thereof; or, if there is no one in charge, leaving it in a conspicuous place therein; or, if the office is closed or the person to be served has no office, leaving it at the attorney's or party's dwelling house or usual place of abode with some person of suitable age and discretion then residing therein. Service by mail is complete upon mailing. Service by facsimile is complete upon completion of the facsimile transmission.

Service of all papers after the original complaint may be made by electronic means other than facsimile transmission if authorized by an order of the Minnesota Supreme Court and if service is made in accordance with that order. Service by

Advisory Committee Comment—2010 Amendment

Rule 5.02 is amended to provide for service by electronic means, other than by facsimile as allowed by the existing rule, if authorized by an order of the Minnesota Supreme Court. This amendment is intended to facilitate a pilot project on electronic service and filing in one or two districts, but is designed to be a model for the implementation of electronic filing and service if the pilot project is made permanent and statewide. The rule makes service by electronic means effective when transmission is complete, just as the existing rules provide for filing and service by mail and facsimile transmission.

Service by electronic means is allowed for documents served after the original summons. Service under Rule 4 is required for summonses, and electronic service is not one of the means of service under that rule.

This amendment is modeled on rules 5(b)(2)(D) & (3) of the Federal Rules of Civil Procedure, as amended to implement electronic filing and service in the federal courts.

Rule 5.06. Filing Electronically

Where authorized by order of the Minnesota Supreme Court, papers may be filed electronically by following the procedures of such order and will be deemed filed in accordance with the provisions of that that order.

Advisory Committee Comment—2010 Amendment

Rule 5.06 is a new rule to provide for filing by electronic means, if authorized by an order of the Minnesota Supreme Court. This amendment is intended to facilitate a pilot project on electronic service and filing in one or two districts, but is designed to be a model for the implementation of electronic filing if the pilot project is made permanent and statewide. The rule makes filing by electronic means effective in accordance with the rule for the pilot project.

RULE 11. SIGNING OF PLEADINGS, MOTIONS, AND OTHER PAPERS; REPRESENTATIONS TO COURT; SANCTIONS

Rule 11.01. Signature

Every pleading, written motion, and other paper shall be signed by at least one attorney of record in the attorney's individual name, or, if the party is not represented by an attorney, shall be signed by the party. Each paper shall state the signer's address and telephone number, if any, and attorney registration number if signed by an attorney. Except when otherwise specifically provided by rule or statute, pleadings need not be verified or accompanied by affidavit. An unsigned paper shall be stricken unless omission of the signature is corrected promptly after being called to the attention of the attorney or party. If authorized by order of the Minnesota Supreme Court, a paper filed, signed, or verified by electronic means in accordance with that order constitutes a signed paper for the purpose of applying these rules.

Advisory Committee Comment—2010 Amendment

Rule 11.01 is amended to add the last sentence. This amendment makes it clear that "signing" in accordance with a rule allowing for filing and service by electronic means where authorized by an order of the Minnesota Supreme Court is treated as a signature for the purpose of Rule 11 or other provision in the rules. This amendment is intended to facilitate a pilot project on electronic filing in one or two districts, but is designed to be a model for the implementation of electronic filing and service if the pilot project is made permanent and statewide.
