Add service details:

 Parties listed under E-MACS Service Recipients may be served electronically through E-MACS **with no additional proof of service**. When serving parties by conventional means (i.e., in person, by mail, or by e-mail) proof of service must be uploaded in E-MACS.

1. Select the **Service Method** for each party.
2. If needed, add a **Service Date** (for conventional service).
3. If needed, click **Browse** to upload Proof of Service (for conventional service).
4. Click **Next**.

The screenshot shows the 'Add service details' form. It features two tables: 'E-MACS Service Recipients' and 'Conventional Service Recipients'. The 'E-MACS Service Recipients' table has columns for 'Name' and 'Role'. A dropdown menu for 'Service Method' is open, showing options like 'E-MACS Service' and 'None'. A red circle with the number '1' points to this dropdown. The 'Conventional Service Recipients' table has columns for 'Name', 'Role', and 'Service Date'. A dropdown menu for 'Service Method' is also open, showing options like 'None', 'Mail', 'Overnight service', 'Personal', 'E-mail by filer w/consent', 'Fax by filer w/consent', and 'Filed & Served via District Court EFS'. A red circle with the number '2' points to this dropdown. Below the tables is a 'Service Document' section with a 'Name' field containing 'Proof of Service' and a 'Browse...' button. A red circle with the number '3' points to the 'Browse...' button. At the bottom right, there are 'Previous' and 'Next' buttons. A red circle with the number '4' points to the 'Next' button.
