

STATE OF MINNESOTA
COUNTY OF CARVER

DISTRICT COURT
FIRST JUDICIAL DISTRICT
PROBATE DIVISION
Case Type: Special Administration

In the Matter of:

Court File No. 10-PR-16-46

Estate of Prince Rogers Nelson,

Decedent,

**BREMER TRUST'S RESPONSE TO
OBJECTIONS FILED BY OMARR
BAKER AND TYKA NELSON**

and

Tyka Nelson,

Petitioner.

The Special Administrator responds to the “Objections to Final Account...and Petition for Order Approving Accounting, Distribution of Assets, and Discharge of Special Administrator” filed by Omarr Baker and Tyka Nelson. Bremer Trust’s transition of this Estate to one or more personal representatives should not be used as an opportunity to publicly re-hash issues that were already raised by counsel for some of the non-excluded heirs and rejected by this Court. In particular, this Court has already addressed nearly identical allegations (with the same supporting exhibits) with regard to the entertainment advisors that the Special Administrator hired after court approval, on an unsuccessful motion to void the Advisor Agreement. Similarly, the Court has already addressed nearly identical allegations regarding the counsel hired by the Special Administrator, on unsuccessful objections to the fees charged by those counsel. As such, the personal attacks on the lawyers and advisors hired by the Special Administrator have no place in the consideration of Bremer Trust’s petition to approve its accountings and receive discharge.

Accordingly, the Special Administrator respectfully requests that the Court reject the objections on at least these bases.

Respectfully submitted,

Dated: January 12, 2017
