CARVER COUNTY COURTS

Attention Kristen Trebil-Halbersma

Please find the attached written claim for filing. I received your letter requesting a "formal written statement of claim." I hope the attached document is good enough for this claim. Since I am based in a different state, I don't know the requirements for the filing of probate claims.

I want the court to know that I am incarcerated and do not have the means to make any payments toward the filing of this document. Hence, I would like to request a court fee waiver forms to be mailed to me for my filing.

I will not be able to make any court appearances and do not have any attorney at the moment to represent me on this claim. I am hoping that Mr. Nelson's estate will get in touch with me and relinquish the videodisc to me amicably.

If the court requires any filing fee for the processing of my documents, then kindly forward the fee waiver forms to me.

All I am requesting is my videodisc and the releasing of Mr. Nelson's Song "The Beautiful Ones."  
Thanks in advance.

Sincerely  
*Lily*
