Chaska, MN 55318

FAX# 952-361-1491

Re: In re the Estate of Prince Rogers Nelson  
Court File No.: 10-PR-16-46

Dear Court Administrator,

I join with the claimants who object to the Special Administrator's protocol prior to genetic testing. It is my position that I should be allowed to undergo genetic testing to determine my relationship to the decedent.

Sincerely,

Taz Laeni Walker
