In Re: Estate of:

Court File No. 10-PR-16-46

Prince Rogers Nelson,

Deceased.

**ORDER ON MOTION TO
DISMISS**

In an Order filed June 29, 2016, regarding the Special Administrator's Motion to Dismiss the claims of Rodney Dixon, the parties were directed to submit any additional factual record and legal argument by no later than August 5, 2016. The parties were also advised that Carver County Court Administration had scheduled time for oral arguments on September 7, 2016, at 8:30 a.m. at the Carver County Courthouse, but that hearing would only occur if a party specifically requested oral argument on or before August 5, 2016. Neither party has requested oral arguments.

Therefore, based upon the file and proceedings herein, the Court makes the following:

ORDER

1. The Special Administrator's Motion to Dismiss the claims of Rodney Dixon shall be heard based upon the written record alone, and shall be considered taken under advisement as of August 5, 2016.
2. The hearing time reserved for oral arguments on September 7, 2016 shall be cancelled.

Date: August 8, 2016

Judge of District Court
