The Honorable Kevin W. Eide
Carver County District Court
604 East Fourth Street
Chaska, MN 55318

**Re: In re the Estate of Prince Rogers Nelson, Deceased
Court File No. 10-PR-16-46**

Dear Judge Eide:

On behalf of Special Administrator Bremer Trust, National Association, I write to request that the Court address the pending motion regarding entertainment industry experts and the corresponding objection filed today by counsel for Carlin Q. Williams, an alleged heir of the Decedent. Because the Special Administrator asserts that time is of the essence as to this issue, we ask that the Court consider letter briefs and any supporting material any party wishes to submit, setting a deadline for submitting that material for as early as close of business on Monday. If the Court wishes to hear from counsel by telephone or otherwise, we are at the Court's disposal.

Thank you for your consideration.

Respectfully submitted,

STINSON LEONARD STREET LLP
