Dear Judge Kevin W. Eide,

Now

Are you? Fine I hope Cause  
these few lines leaves me being fine  
I really don't believe her stories  
saying that she was married to  
prince Rogers Nelson in January  
14, 2002. she was already married  
to this young man name Dean  
Wayne Boyd she never divorce  
at all she still married to him  
and prince was married to his  
backup dancer Mayte Garcia  
in February 14, 1996. & they did  
had a child together it died  
they get a divorce in 2000 & he remarried  
his second wife Manuela Testolini  
in 2001 to 2006 they didn't have any kids  
together they divorce in 2006, then the  
only marriage he had with Mayte  
Garcia & Manuela Testolini & this will  
prove that she wasn't married to  
Claire Elisabeth Elliott in January

14, 2002. he never mention anything  
at the 2010 B.E.T. Award give my wife  
the money it wasn't mention at the 2010  
~~B.E.T.~~ B.E.T. Award. when Chaka Khan
