Fourth Judicial District Court
Serving Hennepin County

HOMES Procedure

HOMES Court operates with two separate categories of cases: 1. As a diversion program for open cases approved for admission, and 2. As a

HOMES - Housing Outreach for Minneapolisians Establishing Stability

problem-solving court offering supervision and goal-setting for probation cases.

Open Cases: A community partner, advocate or Hennepin County social worker may schedule a case of one of their clients by e-mailing Assistant City Attorney Heidi Johnston at Heidi.johnston@minneapolismn.gov with the name of the client, case or summons number and requested court date. Ms. Johnston will schedule the case with the HOMES Court clerk.

Probation Cases: At the plea or sentencing hearing, the probation office, with the consent of the Minneapolis City Attorney's office, may ask the sentencing judge to schedule the case on the next available HOMES Court calendar. At the first HOMES judicial review hearing, the court and probation will go over the terms of probation and monitor compliance.

HOMES Purpose

Reduce homelessness and recidivism by offering homeless offenders a positive path to resolve their cases or successfully complete their probation based upon participation in services offered by the court's community partners.
