## **WELCOME TO THE BLUE EARTH COUNTY FAMILY DEPENDENCY TREATMENT COURT**

This Handbook was designed to answer your questions and to help you successfully complete the requirements of the Family Dependency Treatment Court program. As a participant, you are expected to follow the instructions given to you by the Family Dependency Court Judge and your FDTC case manager. You are also expected to comply with the treatment plan developed for you by an approved treatment provider and the case plan developed for you by your social service workers.

The FDTC is divided into four tracks with four phases in each track that must be successfully completed in order to graduate from the program. Each participant will be assessed within the first month of their acceptance into the court to help the team to place them into their intended track. The participants will stay in their track until completion of the program. All four tracks are set up to deal with the participants risk/needs. This Handbook details what is expected of you as a FDTC participant. It reviews general program information, as well as what specific things you must do to complete each phase of the program.

If you are reading this Handbook, it means that you have been accepted into FDTC based upon your history of drug/alcohol use and encounters with social services that have led to the removal of your children from your home. It also means that we are confident that FDTC will help you learn how to make successful choices, free of the influence of drugs or alcohol.

You are encouraged to share this Handbook with your family and friends.

### **OVERVIEW**

The Blue Earth County Family Dependency Treatment Court (FDTC) is a four-phase intervention program for adults who have struggled with maintaining a healthy environment for their children and who are having difficulty staying clean and sober. The FDTC Program is for addicted offenders. The program treats a drug as a drug and an addict as an addict, regardless of the drug of choice. It is a collaborative effort between the 5<sup>th</sup> Judicial District Court, the County Attorney's Office, the Public Defender's Office, the Health and Human Services Agency, Area Law Enforcement Agencies, and Chemical Dependency Treatment Providers, and Mental Health Agencies. By working together, as an FDTC Team, we seek to provide a variety of programs and consistent supervision tailored to support and help you maintain a drug-free life. Our goal is to help you stop using drugs in order to achieve safety and permanency for your children, and our community.

FDTC involves intensive supervision of clients by a case managers, frequent court appearances, mandatory drug and alcohol counseling, regular attendance at self-help groups (NA, AA, SMART Recoveries, or supportive relationships agreed upon by the team) and random drug testing, curfews, parenting classes, employment services, educational resources, and other community based programming. The Court awards incentives for compliant behavior and imposes sanctions for negative behavior. Participants who do not comply with the rules may be placed in short-term custody, moved back to the previous phase of drug court or a variety of other sanctions. Participants may also be terminated from FDTC. All of the staff working with FDTC will assist you to make sure you understand what is expected of you.

## THE FDTC TEAM

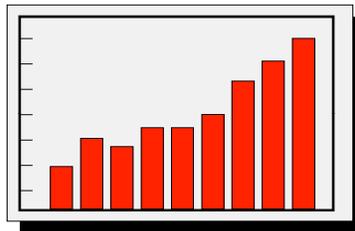

The FDTC Judge makes all decisions regarding your participation in the FDTC Program with input from the FDTC Team. In addition to the Judge, the FDTC Team consists of the following members:

If your progress reports show that you are not doing well, the judge will discuss this with you and determine future action, which could include a sanction in order to help you remember your goals in the program. ## **CONFIDENTIALITY**

State and federal law requires that your identity and privacy be protected. In response to these regulations, FDTC personnel, case managers and treatment providers have developed policies and procedures to help protect your privacy. You are required to sign Consent for Release of Information forms. This disclosure of information is for the sole purpose of hearings, reports, and supervision concerning your specific FDTC case. Failure to sign this release will result in a sanction or dismissal from the program.

## **FDTC PROGRAM RULES**

As a participant you are required to abide by the rules outlined in the participant contract, including, but not limited to the following:

### **Totally abstain from the use of illegal drugs and alcohol, and mood any altering substances.**

This condition is fundamental to successful completion of the program. Any prescription and over-the-counter medication must be approved by the FDTC team prior to use. Abuse of prescription and over-the-counter drugs will result in a sanction. Use of someone else's prescription or non-approved medication will result in a sanction. You must inform you're treating physicians, and pharmacist's that you are a recovering addict, and that you may not take narcotic or addictive medications or drugs. Do not associate with people who use or possess drugs. Any visits to anyone in the medical profession must be reported to your case manager, and a medical visit form must be filled out, and returned to your case manager.

### **Attend all Chemical Dependency/Mental Health treatment sessions as scheduled.**

This includes individual and group counseling, educational sessions, and other treatment as directed. Unexcused missed or late treatment sessions will result in a sanction.

### **Be on time and courteous.**

Be on time for court and treatment sessions. If you are late for treatment, you will not be allowed to participate and will be considered non-compliant. Contact your counselor if there is a possibility that you may be late. You also need to be on time for all scheduled meetings; failure to show up will result in a sanction. If for some reason you have missed or you are late you will need to reschedule the appointment. It is also up to you to notify your case manager of issue.

### **Attend all scheduled FDTC sessions.**

You must attend all court sessions as scheduled by the FDTC case manager. As a participant, you are expected to dress appropriately for court. You are expected to wear a shirt or blouse, pants, dress or skirt of reasonable length. Shoes must be worn at all times. Clothing bearing offensive, violent, racist, sexist, drug or alcohol-related themes or promoting or advertising alcohol or drug use is considered inappropriate. Hats may not be worn. Gang attire is also inappropriate. Sleeveless shirts and body piercing other than earrings are not allowed in court. Sunglasses cannot be worn in court unless medically approved.

**Submit to chemical testing (urinalysis, breath tests) as requested.**

You will be tested regularly throughout the entire program. If you miss a test, have a diluted test, or are not home for a curfew test it will be viewed as a **POSITIVE TEST**. The testing provider will not return to your home after they leave and this will also be viewed as a **POSITIVE TEST**. As you progress through the program, testing is required on a less frequent basis. The goal of the FDTC program is to help you achieve total abstinence from alcohol and illicit drugs. However, a positive test will not automatically terminate you from the program. The judge will review your overall performance with the FDTC team to determine the appropriate consequence or consequences.

**Do not make threats toward other participants or staff or behave in a violent manner.**

Violent or inappropriate behavior is not tolerated and will be reported to the Court. This behavior may result in a sanction or termination from the program. You may not possess any weapons while in the FDTC program.

**\*\*Keep the FDTC team, Case Managers, Treatment Provider, and Guardian ad Litem informed of your current address and phone number at all times.**

**Maintain confidentiality of other FDTC/Drug Court participants.**

Treatment cannot succeed unless all participants maintain the confidentiality of other participants and of information disclosed in treatment.

**Employment/Education Requirements:**

You are expected to complete structured activities on a weekly per basis as directed by the team. This may be accomplished by actively seeking or maintaining employment, attending school/job training, performing unpaid alternative community work assignments or other activity approved by the FDTC Team. All participants need to have their GED, OR High School Diploma prior to graduating the FDTC.

**Abide by all other rules and regulations imposed by the FDTC Team.**

Other rules and requirements are outlined in the FDTC Participation Agreement that you must sign in order to enter the program.

**We strongly encourage participants to refrain from sharing beverages, e-cigarettes or food to prevent accidental use of substances. This will not be accepted as an excuse for using mood altering substances.**

## CHEMICAL TESTING

You will be drug tested randomly throughout your entire FDTC Program. You will be provided with a copy of the chemical testing policy of Blue Earth County Community Corrections.

- You will be observed to ensure freedom from errors.

### The following will count as a positive (dirty) test:

- If you miss a test
- Stalling - If you are unable to provide a sample within a reasonable amount of time (normally 15 minutes) or if it is not of sufficient quantity to test
- Any ALTERING/DILUTING of any sort.
- If a positive test needs to be sent to a commercial laboratory for confirmation, you will be required to pay for the cost of the test. If the participant requests a hair follicle confirmation the participant will be responsible for the cost. All tests will be given within one week of the request. All tests will be administered by New Ulm medical center.
- A positive PBT or a missed curfew check will be viewed as a violation of the FDTC rules. (If you do not come to the door after the person testing you calls and knocks it is viewed as a missed and/or positive test. They will not return to your home).
- If you have a positive test in any FDTC phase, the judge, based on recommendations from the FDTC team, will apply immediate sanctions including **THE POSSIBILITY OF YOUR CHILDREN BEING REMOVED FROM YOUR HOME FOR THEIR PROTECTION.**

## SEARCH AND ARREST REQUIREMENTS

As a participant in FDTC, you are required to submit your person, vehicle, place of residence or area to search and seizure of narcotics, drugs or other contraband at any time of the day or night with or without a search warrant, without prior notice and without probable cause by any peace officer or officer of this program, or their representative. ## PROGRAM FEES

As an FDTTC participant, you must agree to pay a minimum program fee of \$480.00 to the Court Administrator regardless of the length of time you are in the program. Participants may have a portion of their fee waived per month if their behaviors exceed the norm. You are also responsible for paying for the cost of treatment which is separate from the drug court program fee. There may be other fees to pay depending on your situation and needs, such as: any fee for a confirmation of a chemical test; classes or skills training, etc. You must be current with all of your payments before you are allowed to move to the next phase of your program where applicable.

### Where to pay fees:

- Pay the monthly program fee and any chemical test fees to the Blue Earth County Court Administrators office. (All fee waivers must be presented to their office by the participant in order to get credit).
- Pay fees for other services directly to the agency providing the service to you.

## INCENTIVES

Incentives are used to recognize and reward participation and progress. Upon the recommendation of the FDTTC Team, participants may be given rewards or incentives for compliant behavior. The most frequently used incentive is the judge publicly recognizing progress during court sessions and acknowledging to the participant and the entire court the participant's hard work and accomplishments. Individuals who are doing well may also be put into an "express" group and placed early on the court calendar thereby decreasing the time the participant must spend in court.

## SANCTIONS

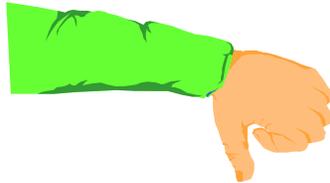

There are immediate and direct consequences for all conduct, both positive and negative. Sanctions follow violations and are applied as close to the time of the offending behavior as possible by the FDTTC team. Incentives and sanctions are applied at the **participant's** next scheduled review/status

hearing, with the exception of serious violations (e.g. positive UA, new crime, etc), in which case the participant appears at the **next** review/status hearing.

Sanctions are used to emphasize the strict expectations and requirements of the program including participant accountability and to provide more structure and support when it is needed. Although final sanction decisions are made by the judge, the FDTC team is involved in the process
