15 W. Kellogg Boulevard
St. Paul, MN 55102
Ph: (651) 266-9256
Fax: (651) 767-8940

Volunteer and Internship Opportunities

Thank you for your interest in volunteering or interning with RCMHC.

Graduate Clinical Placements:

In addition to the information in our graduate school posting, all students need to apply and be screened by Volunteer Services before RCMHC can move forward with interviews. Students who are interested in the RCMHC internship need to complete an [online application](#) for the internship, found on the Ramsey County Home Page.

Please note:

- Academic year placement (September - May). Minimum of 400 hours.
- Summer block placement (June - August). Minimum of 400 hours.

Program Interns and Project Volunteers:

All non-clinical applicants should complete the [Application For Internship](#) and return it with a current resume to brandi.stavlo@courts.state.mn.us.

- Program Interns: There is a minimum of 150 hours required for Program Interns.
- Project Volunteers: Submit hours required with the application.

If selected for an interview, be prepared with the following information:

- Skills, training or experience that you bring to RCMHC
- What interests or goals you hope to pursue through an internship
- Program requirements (i.e. required hours if seeking educational credits)
- Type of supervision needed
- A proposed final project (i.e., publishing an editorial article, organizing mental health education at your school, speaking for a community organization, etc.)
- A brief description of how you think your work would fit into our program in the areas of education, individual advocacy, and mental health advocacy.

Contact

Please contact the Program Coordinator for referrals or additional information regarding the Mental Health Court.
