To: eCitation Law Enforcement agencies, eCitation Vendors, Court Administrators, eCitation Court Staff, State Court Business Systems Coordinators and Minnesota Court Payment Center (Citation Entry)

Purpose: This is to provide you an update regarding the implementation of the new eCitation [schema 3:5](#) .

What this Means for You:

At this time State Court Administration has not been able to migrate the 3.5 schema to MNCIS production due to some development issues. Once these issues are resolved you will receive additional notification on the implementation date of the 3.5 schema into MNCIS production.

The 3.5 schema is currently available for testing, including the Bureau of Criminal Apprehension (BCA). Vendors and law enforcement agencies are encouraged to continue testing in preparation for the mandatory use of the 3.5 schema.

To view schema 3:5 and other Court XML information: <http://www.mncourts.gov/?page=1368>

Reminder: All citations created on mobile devices (e.g. laptop or handheld) that are either electronically submitted to MNCIS or manually filed must conform to the paper [Statewide Standard Citation](#) form by July 1, 2014.
