Dear Judge Eide,

Earlier this year, among our numerous requests to [REDACTED] and discharge [REDACTED] you requested the Heirs of the Prince Rogers Nelson estate to submit a [REDACTED] [REDACTED] for your consideration. After careful consideration, meetings and agreement, the Heirs submit the [REDACTED] and propose the enclosed [REDACTED] for your review and direction.

Importantly, the Heirs jointly submit these documents confidentially. If needed, we can submit and file the documentation as a Petition or Proposed Order, as directed. We are reluctant to provide [REDACTED] [REDACTED] or the purpose of [REDACTED], allow the Heirs the opportunity to take possession and control of the Estate assets.

As you know, some of the Heirs are in their very late 70s and early 80s. [REDACTED]

There have been inadequate [REDACTED]

We wish to [REDACTED]

Thank you,

Sharon Nelson
