CARVER COUNTY COURTS

DISTRICT COURT  
FIRST JUDICIAL DISTRICT  
PROBATE DIVISION

In Re: Estate of:

Court File No. 10-PR-16-46

Prince Rogers Nelson,

**ORDER EXCLUDING PARTY  
AS HEIR OF ESTATE**

Deceased.

In the Amended Order for Alternate Testing filed November 2, 2016, the Court vacated its previous Order providing that if Carlin Williams did not undergo testing through LabCorp by September 21, 2016, he would be excluded as an heir of this Estate. The Court then ordered if Mr. Williams requests an alternate or second DNA test through LabCorp, counsel for Mr. Williams shall notify the Court and the Special Administrator by November 10, 2016, and Mr. Williams must undergo testing no later than November 18, 2016, and the results be reported to the Court, the Special Administrator and counsel for Mr. Williams by no later than November 28, 2016. The Amended Order for Alternate Testing also provided that if Mr. Williams is contesting the Medical Examiner's protocol for obtaining Decedent's original DNA/blood sample, the chain of custody of the DNA/blood sample of the Decedent delivered by the Midwest Medical Examiner's office to DNA Diagnostic Center which was used for the comparison of DNA between the Decedent and Mr. Williams, or the testing protocol used by DNA Diagnostics Center, counsel for Mr. Williams must notify the Court and the Special Administrator by November 10, 2016. Counsel for Mr. Williams provided no notifications that Mr. Williams desired to undergo a second test, or that he was challenging the protocols involved in obtaining and analyzing Decedent's DNA/blood sample.

Now, based upon the file and record herein, the Court makes the following:

**ORDER**
