Dear Judge Eide,

My name is Shirley Camper and I would like to Appeal, your Sept. 30, 2019 order to deny, my daughter the DNA test to find out that her children's grandfather is none other than Prince Rogers Nelson. My daughter has been looking too long for her dad. Her name is Tomika Joy H. Camper, born Sept. 2, 1980. Judge your Honor, all she want is the truth and it is in your hands.

Judge, if you have a child then you should know that I love all 6 of mine, plus 15 grand and at least 18 great grand. that I am trying hard to teach them to believe in the system.

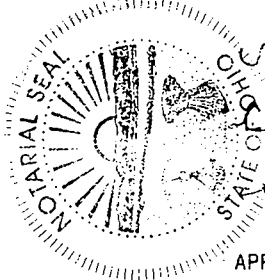

that there is still honesty and justice as well as the defenders of truth in this great land of America:

I have been calling Mr. MARK Greiner and his law firm for weeks, before a lady finally answers and threatened me not to contact her firm again. But in all fairness I offered to pay for the test. After all, aren't they in charge of proving who Prince Rogers Nelson's child is?

If all ya'll want to read is that Prince and I had sex. Then, in 1979 Prince and I had sex at 8333 Alpine in the month of December and I got pregnant and had our child, Tomika Joy HellenA Camper on Sept. 2nd 1980. Her DNA is registered with Ancestry.com and I am

requesting a copy of said test to confirm that Prince Rogers Nelson's legal heir is Tomika J.H. Camper.
