RE: *In Re Estate of Prince Rogers Nelson*
Case Number 10-PR-16-46

Dear Judge Eide,

I am local counsel for White, Wiggins & Barnes (“WWB”) and sponsoring attorney for the *pro hac vice* admission of Kennedy Barnes, the WWB attorney handling this matter.

I write to notify the court that I have a conflict with remote hearing in this matter scheduled for Friday, January 14, 2022, at 1:30 p.m. On that date, and also at 1:30 p.m., I have a remote hearing on a dispositive motion in a Hennepin County matter that has been scheduled since November 17, 2021. I expect that this other motion hearing will run approximately 30 minutes, after which I plan to immediately join the hearing in this matter, and be available at that time.

I understand that there are several items on the agenda for the hearing on January 14th, in addition to Primary Wave’s motion regarding WWB’s attorney lien. I would ask that the matter of the WWB attorney lien be taken up after I join the hearing, so I may appear along with Mr. Barnes, as required under the *pro hac vice* rule.

Best Regards,
