**Re: Potential Second Special Administrator
Estate of Prince Rogers Nelson
Court File No. 10-PR-16-46**

Dear Judge Eide:

Please be advised that due to logistical issues that just arose we have not been able to obtain the signature of Alfred Jackson and Omarr Baker on their petition. We have filed the unsigned petition and as soon as we receive the signed versions we will provide signed copies.

Alfred and Omarr have indicated they will sign. As a result we request a three day extension to provide the signed copy.

Sincerely,

COZEN O'CONNOR
