Case# PR-1646

803 Walnut B2

Prince Rogers Nelson

Toledo, Oh. 43604

ESTate

Dear Judge Cain,

I haven't heard anything about the case as of yet.

So I'm sending proof of the people who introduced Prince to me, on Alpine in Detroit Michigan. They still avoid my questions and pretend they don't remember. But Latanya and Aquin Hill, I went to their sister Regina's funeral and found this. They say they don't remember Arnetta McNeil or Richard Jr. or their children.

Here is proof they are indeed related. I was told someone is going to honor Prince again and I believe his daughter should be a part of it.

Therefore to further prove my case I am sending part of this obituary as proof that the connection is real and Pirince deserves better from the people he has served all these years. So I'm hoping as a parent, someone can see the pain this is causing.

So I'm pleading to the court to make things right.

She will never feel the warmth of her daddy's arms. But please give her the answer she needs to repair her heart, cause it hurts and I know it does.

My oldest daughter remember him taking her to the baby-sitter. But the Hills don't remember their family members.
PLEASE Help.

Sincerely
Shirley G. Camper

Remarks

The Lord is my shepherd; I shall not want.

He maketh me to lie down in the green pastures; he leadeth me beside the still waters.

He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake.

Yes, though I walk through the valley of the shadow of death, I will fear no evil:

for thou art with me

thy rod and thy staff they comfort me
