To whom this may concern

I am the singer Prince rogers Nelson. I go by the name Olando Enoex.

I was misreported deceased by carver count courthouse. I am alive . My estate Price roger Nelson is in litigation in Minnesota. I currently live in California so its hard for me to get to court. I have written the judge that I am alive, yet they haven't returned the estate to me. I need help from money to legal help. I was mugged in 2016 and drugged in Minnesota. My wallet was taken , even though my I'd said Olando Enoex I was identified as Prince rogers Nelson. My money from my music was taken fraudulently by comerica bank and distributed to Prince legacy LLC and Prince Oats LLC , by fredrickson and Byron law firm and New Wave Music. If you or anyone can help me I appreciate . Include some old and new pictures for identification purposes.

Sincerely yours,

Olando Enoex known as Prince
