Re: The Estate of Prince Rogers Nelson
Court File No. 10-PR-16-46

Dear Judge Eide,

On March 1st and March 11th, 2018, I filed my latest Amended Demand for Notices and Amended Affidavit of Heirship. In all the documents that I filed on these dates, I amended both my legal name and address... as well as quite a few other details.

However, it has come to my attention that the Court has yet to update its system with my correct legal name and current address.

Since even before April 21, 2016, my legal name has been Claire Elisabeth Elliott. This is also my maiden name and I have used it as my legal name for the majority of my life.

Nonetheless, for the purpose of honoring my dear husband, Dean Wayne Boyd, I decided I wanted to be known as Claire Boyd after Prince's suicide so that the world would know who I am happily married to in American Law. With the exception of my ex-husband whom I legally divorced almost 26 years ago, I was married to all my other husbands, including Prince Rogers Nelson, in CIA law, explaining why such marriages have been kept top secret.

I apologize to the Court for my error in using the non-legal name of Claire Boyd when I filed my first documents in this case on July 4th, 2016. I did not yet understand the legal consequence of doing such a thing or of the use of a/k/a's whenever the CIA is involved in a probate case like this one. As everyone knows, I am operating Pro Se and did not have the privilege of attending law school like all the many lawyers representing so many other parties in this case.

I know that this is not the usual court procedure, but I would most appreciate it if the Court would update its system to properly reflect what is my correct legal name and current address. In a matter of weeks, I will no longer be able to receive any notification from the Court at my old address in Georgia and, of course – as annoying as it is – the CIA requires that only my correct legal name be used or, as the Court well knows, I cannot be named Prince Rogers Nelson's sole heir as I am listed in

Prince Rogers Nelson's formerly top secret will.

Although I have been considered top secret up until now, I recently completed the proper actions to fully declassify myself and, thus, the Court is now free to release the truth to the world.

I sincerely thank the Court for doing so right now.

Most respectfully submitted,

/s/ Claire Elisabeth Elliott
