**Re: *In re the Estate of Prince Rogers Nelson*  
Court File No. 10-PR-16-46**

Dear Judge Solum:

This is to follow up on Joe Cassioppi's letter regarding the format of submissions. We have a minor suggestion which I believe Mr. Cassioppi agrees with and if not, he will so advise.

We request that any heir or counsel involved in the remanded fee matter submit any initial comments to you regarding the fee submissions by July 20, 2018 with copies to all heirs and counsel for heirs and that any heir or counsel for an heir may submit a short brief to you within 10 days after the hearing.

We want to avoid multiple briefs. This procedure contemplates just two short letter briefs one on the 20<sup>th</sup> and one 10 days after the hearing. They will be filed. There will be no replies.

Respectfully submitted,

COZEN O'CONNOR
