

STATE OF MINNESOTA
COUNTY OF CARVER

DISTRICT COURT
FIRST JUDICIAL DISTRICT
PROBATE DIVISION

In Re: Estate of:

Court File No. 10-PR-16-46

Prince Rogers Nelson,

Deceased.

**ORDER RESTRICTING
SERVICE BY US MAIL**

The above entitled matter came on before the Honorable Kevin W. Eide without a hearing upon learning from court administration staff that a number of non-active parties or participants to this proceeding are signed up for service but not signed up for eFiling and eService. Because of the volume of filings in this proceeding, and because all public filings are also posted to a publicly accessible website, it is appropriate that non-active parties or participants wishing to receive copies of any filings be directed to do so exclusively through the website.

ORDER

1. Effective immediately, unless a party or participant is specifically identified as a moving or responding party in an order or other document filed by the Court or a party, all parties or participants not signed up for eFiling or eService and wishing to receive copies of any filings may do so exclusively through the publicly accessible website at:

<http://www.mncourts.gov/InReTheEstateofPrinceRogersNelson.aspx>.

2. Unless a party or participant is specifically identified as a moving or responding party in an order or other document filed by the Court or a party, Court Administration shall not be obligated to serve filing notices, orders or other documents on any party or participant to this proceeding via US Mail without further order of the Court.

3. The Court has previously ordered, with respect to one or more parties and participants identified as frivolous litigants, that the Court will not respond to future filings. Nothing in this order changes or amends the previous order relating to frivolous litigants.

BY THE COURT:

Dated: March 26, 2018

Kevin W. Eide
Judge of District Court
