To: Judge ^{Hon} Kevin W. Eide

I have been recovering from a major operation that I had at Strong Memorial Hospital, in Rochester NY, a few months back.

I have written to you that I could not attend the court hearing that you had a little time ago. I would like if I could put that action on the

Docket for me, whether a return is filed. Price was my Half Brother, and he stole all of my songs, and never paid for them. All I want is ~~the~~ ~~and~~ they can't to make me whole, financial. I fell bad about the sister. Because I believe she my half sister too. But the other I can't speak for.

God Bless Judge Thank you everly,
In the name of Jesus Christ the
Son of God!
