2016 Minnesota Statues: Chapter: 525.13 Estate

2016 Minnesota Statues: Chapter 524. Uniform Probate Code

524.2-101 Intestate Estate

524.2-107: Degree of Kindred and Kindred of Half-Blood

524.2-501: Who may make a Will

524.5-515: Deposit of Will with court in testator's Lifetime

Introduction

Around or close to the late Prince Rogers Nelson's ("PRG") 50th birthday; my brother told me, Shawnetta T. Graham ("STG"), that he had Willed everything to me. Prince and I are half brother and sister and due to the fact Prince (PRG") is

biracial and I am multiple racial our blood DNA match for kindship or heirship are slim, but you can see the DNA co-relation findings using scientific blood-line genetic comparison testing. Prince and I ("STG") were very close like spouses. I was not subpoena for genetic testing like other blood line brothers and sisters ("The Nelson"). It is not fair judicial practice to exclude me. Furthermore, there should be a valid will on file at the Minnesota Probate District Court: Will, & Estate Division. I would like the Will to be honor. *Minnesota Statues 524.2-107* clearly give me the same rights like other full blooded and half-blood kindred/heirs.

Order Regarding Genetic Testing Protocol & Heirship claims following...

Reality Concerns

Minnesota is a State that has illegal prostitution, and these prostitutes make babies. These babies are unwanted by their biological parents. Some of the residential citizens of the State of Minnesota house these unwanted babies and care for them like they own children. It was a good idea for the court to order Genetic Testing. However, I have an objection to order filed on July 29, 2016: **Under Factual History**, on page #3 the 1st paragraph it states...**John L. Nelson** ("JLN") died on August 25, 2001. I have a concern about this due to the fact that in the motion movie Purple Rain which has a copyright date of 1984. In this movie **John L. Nelson** ("JLN") committed suicide. Purple Rain was authorize autobiography screen story of the **Late Prince Rogers Nelson** ("PRN") life. If there is a valid order for determination of heirship by a valid genetic testing procedures; I **do not**

believe that that DNA sample was valid due to the time fame of death of **John L. Nelson**. (“JLN”) which is noticed in the July 29, 2016 order. I am requesting to **STRIKE the order;** due to invalid date of death of “JLN”. (See: Purple Rain Motion Picture & See: Attach on-line Purple Rain computer print-out)

Conclusion

Probate is the legal process of settling an estate after a person died. Probate is unnecessary if there is not real property in one’s name or on ones does not own personal property in their name that is valued less than **\$75, 000**. (See Minnesota Judicial Branch: Probate, Wills, & Estates) Prince Rogers Nelson (“PRN”) had personal property value more than **\$75,000** with a combination of real property in his name, so probate can be filed in Probate Court. I was told by my late brother that he had added my name on some deeds. Do to the complex problems that exist, a District Judge is greatly needed in this Estate Matter for determination. There is a valid Will on file. I am requesting that the estate be distribute as the terms of the valid filed Will. I am requesting the personal representative distribute the remaining assets to the proper party as provide by the law. My door is open for communication and my contact number and address is a matter or record. If this case is too complex for the Minnesota District Court, I am requesting it to be transfer to the United States Supreme Court. However, “STG” is in need of funding that she believes has been willed to her by late **Prince Rogers Nelson**. (“PRN”)
