Re: State v. Krook #82-CR-19-2887

Dear Clerk of Criminal Court:

Please accept the attached disk for filing in this matter. The parties appeared before Judge Yunker at an Omnibus Hearing on December 9, 2019, and at that time the parties agreed to submit for the Court's consideration in connection with the defense's motion to dismiss, all of the exhibits presented to the grand jury which returned an indictment in this case. I have conferred with defense counsel and they have no objection to those exhibits being presented to the Court on a single disk, which is attached, and titled "Grand Jury Exhibits." The disk contains 15 exhibits in various types of media—documents, photographs, audio, and video with audio. Thank you.

Sincerely,

Thomas B. Hatch
