

Handout – Criminal and Delinquency Filing Codes Index

Last Revised: 03/07/2025

**MINNESOTA
JUDICIAL BRANCH**

Introduction

There are many filing codes available for criminal and delinquency cases. These tables list the majority of codes available to filers in eFS. The first two tables list codes that are used in certain unique circumstances. The last table lists the more commonly used codes. These tables are searchable and arranged by codes for sealed documents, codes for juvenile delinquency cases only, and codes available in both adult criminal and juvenile delinquency cases.
