

2022 CRIMINAL EXPUNGEMENT CLINIC – FREE

Expungement is the process of going to court to ask a judge to seal a court record. People request an expungement when they have been denied a job, housing, or a professional license because of a criminal incident that shows up on a background check.

Attend an informational session and if you qualify financially meet individually with an attorney regarding whether this is a realistic option for your situation. You will need to attend the informational session to have an individual meeting. **Sessions start at 1:30 p.m.**

This will be a virtual clinic. We will evaluate whether in person clinics will be available throughout the year.

Please contact the Anoka County Law Library to sign up for the clinic. You will be provided with a registration link at that time. Contact info is:
